2021-2022
STUDENTS' MARITAL STATUS AND TAX FILING STATUS

Failure to complete this form will delay the processing of your aid.

The students' reported 2019 tax filing status is inconsistent with the students' reported FAFSA marital status. Although the reported tax filing status may accurately reflect the student tax filing status for the 2019 tax return, we are required to verify this information.

According to the IRS, a tax payer must use a tax filing status of married filing jointly or married filing separately if they are married or considered married on December 31, 2019. If you were "unmarried" or "considered unmarried" on December 31, 2019, your tax filing status is single, or if you have a qualifying dependent you may file as head of household.

Additional documentation or corrections to the FAFSA may be required to resolve these discrepancies. Please verify the following information.

1. As of the date the FAFSA was completed, what was the student's marital status:
   ____ Never married
   ____ Married or remarried (Date of marriage: _____)
   ____ Divorced or separated (Date of divorce or separation: _____)
   ____ Widowed

2. For the 2019 tax year, what was the students' Tax Filing Status:
   ____ Single
   ____ Head of household
   ____ Married–filed joint return
   ____ Married–filed separate return
   ____ Qualifying widow(er)
   ____ Don't know

3. If your marital status does not match your 2019 tax filing status, explain why:
