This application is required for **ALL** financial aid programs. **IMPORTANT:** Financial aid for Summer 2005, is very limited. At printing time of this application, it appears aid will consist of Federal Perkins Loan, Federal Work-Study, and Federal Supplemental Educational Opportunity Grant. These programs will be awarded based on demonstrated need until funds are exhausted. See the section below on Federal Pell Grant and Federal Direct Loan. Summer application files completed by March 31, 2005, will be notified of summer eligibility in April.

Your application will be considered according to the date the application is **COMPLETE** in the office of Financial Aid. If you received financial aid during the 2004-2005 Academic Year at EIU, this application is all that is necessary for your summer aid to be processed. If you did not receive financial aid at EIU during the 2004-2005 Academic Year, you must also do the following:

- Complete the 2004-2005 Free Application for Federal Student Aid and list EIU as one of the top three school choices to receive the results and provide all federally required documentation, as well as provide any additional information requested by this office.

**SUMMER FEDERAL PELL GRANT** If you were eligible to receive a Federal Pell Grant during the 2004-2005 Academic Year, and you were not enrolled full time both fall and spring, you may have remaining eligibility for a Federal Pell Grant for summer. The amount you will receive for summer will depend upon your enrollment.

**SUMMER FEDERAL DIRECT STUDENT LOANS** If you were eligible to receive a Federal Direct Loan (subsidized/unsubsidized) during the 2004-2005 Academic Year, and you did not borrow the maximum loan amount for your academic grade classification, you may be eligible to receive a Federal Direct Loan for summer. Or, if your academic grade class level increased at the end of Spring Semester, you may be eligible. If you will graduate at the end of Summer Term or the upcoming Fall Term, you may be eligible. **YOU MUST ENROLL IN A MINIMUM OF 6 HOURS TO BE CONSIDERED FOR THE DIRECT LOAN.**

*Eastern Illinois University is an equal opportunity/affirmative action institution in accordance with civil rights legislation and does not discriminate on the basis of race, religion, national origin, sex, age, handicap, or other factors prohibited by law in any of its educational programs, activities, admissions, or employment policies. Concerns regarding this policy should be referred to the Affirmative Action Office, 1011 Old Main, Eastern Illinois University, Charleston IL 61920.*
UNDERGRADUATE STUDENTS:

The Eastern Illinois University Catalog is your best reference for all types of financial aid available. The EIU Catalog has a Financial Aid Section that lists State scholarships and grants, University and Foundation awards, Federal aid, and loans. Each listing explains application qualifications and where to apply.

GRADUATE STUDENTS:

In order to be considered for financial aid, a graduate student must be accepted into a degree program or be enrolled in a program resulting in teacher certification or be a provisional graduate enrolled in preparatory coursework.

SCHOOL OF CONTINUING EDUCATION STUDENTS:

Students who enroll in one or more Continuing Education (CE) classes are eligible to apply for the same State and Federal financial aid as students enrolled in on-campus classes.

If you enroll in one Continuing Education class or a combination of on-campus and off-campus classes, you will be considered a Continuing Education student for financial aid and must notify the Office of Financial Aid IN WRITING as to the number of hours enrolled in each OR YOUR FINANCIAL AID WILL NOT DISBURSE.

Students enrolled in CE classes pay lower fees and do not pay for student insurance. If you are enrolled 8 hours on-campus and 1 hour CE in a semester you are not covered by student insurance. Also, because the drop/withdrawal time restraints and policies differ from on-campus, award calculation and financial aid disbursement policies must be different for CE students. Students enrolled in 9 or more hours on campus are automatically billed for student health insurance.

VERY IMPORTANT:

For those Continuing Education students enrolled in Sponsored Credit Classes, the Sponsored Credit hours cannot be considered when determining dollar amounts of tuition waivers and scholarships. This includes the ISAC Monetary Award Program. Cost recovery classes cannot be considered when determining dollar amounts on waivers.

STUDY ABROAD:

If a semester of studying in a foreign country for credit at EIU is a possibility for you, it is important that you notify the Office of Financial Aid of your intentions. Once you meet with International Programs Coordinator and begin to formulate your study abroad plans, you should contact our office so that all requirements are met and your financial aid is established before you leave the country. If your study abroad is scheduled through the Continuing Education Office, please be sure to indicate the class number on question #7 of this application.
SUMMER 2005
APPLICATION FOR STUDENT FINANCIAL AID

NAME _________________________________________________ SS# ____________________________________

HOME ADDRESS ______________________________________________________________________________________________
