Subject: FOIA Request

Mr. Miller,

I am writing this to request a digital copy of the contract between Eastern and MTVu, the company that provides television service for the dining halls on campus, including the dollar amount of any goods, services, or funds paid to either party throughout the duration of the partnership between Viacom International, Inc. (the parent company of mtvU) and Eastern. I also request the dollar amount of any agreed-upon goods, services or funds to be paid in the future.

If any costs are to be accrued as a part of this request, please temporarily suspend this request and contact me.

I would appreciate a confirmation of receipt of this message.

Thank you sir,

Jack Cruikshank
