Hi Robert!

I am requesting the employment contract for the employee listed below under Illinois' FOI Act. The document can be emailed to [brian@bdssearch.com](mailto:brian@bdssearch.com). Should there be a charge for the request, please let me know, as company policy does not allow me to pay for FOIA requests. I appreciate any assistance in obtaining this information. Please contact me should you need any additional information.

Thank you. Have a great day!

Brian
