Subject: FOIA request

Dear Eastern Illinois University FOIA officer Robert Miller,

This is Casey Toner with the Better Government Association with a request for records under the Illinois Freedom of Information Act.

Specifically under FOIA I am requesting copies of any and all reports and teach-out plans Eastern Illinois University submitted to the Higher Learning Commission in 2016 showing how the university will accommodate students if the state budget crisis forces them to close or lay off staff. I am making this request on behalf of the Better Government Association (BGA). The BGA is a registered non-profit organization in the State of Illinois.

The principal purpose of this request is to access and disseminate information concerning news and current or passing events and for articles of opinion or features of interest to the public regarding the health, safety and welfare or the legal rights of the general public. The information sought will not be used for sale, resale, or solicitation or advertisement for sales or services.

This request is not made for commercial or personal purposes. More information about the BGA is available on the BGA website, www.bettergov.org, and on file with the Illinois Secretary of State. I ask that you waive fees as the law allows. I ask that you convey this information electronically via email to this address: ctoner@bettergov.org.

Please call or email with any questions. I look forward to your response within five business days as required by law.

Sincerely,

--
