General Counsel and Freedom of Information Act Officer
Eastern Illinois University
600 Lincoln Avenue
Charleston, Illinois 61920

Dear Mr. Miller:

This is a request under the U.S. Freedom of Information Act and the Illinois Freedom of Information Act.

I would like copies of records from Eastern Illinois University's Institutional Animal Care and Use Committee (IACUC), concerning the use of any dog or cat used in research, training, or education at E.I.U. from January 1, 2010 to the present. This would include sources and records of purchase of each dog or cat; IACUC requests and receipts for each animal, and the specific uses of the dogs and cats at the university. I would also like to know the disposition of each dog or cat during that same time period.

You may send copies of these records to me at the above address, or - alternatively - I would be happy to accept the records electronically. Because these records are in the public interest, I ask that you waive any reproduction fee.

If you have any questions concerning this request, please feel free to contact me by e-mail or at my office at
Thank you in advance for your time in fulfilling this request.

Sincerely,

Katy Smyser
