II. Important Terms and Definitions

Bid Day: The last day of recruitment, when potential new members receive invitations (bids) to join chapters and become new members. Each chapter will usually host a Bid Day activity to help the new members get to know each other and the rest of the chapter. The Unanimous Agreements state that there is to be no alcohol use or men associated with recruitment or Bid Day.

Continuous Open Bidding (COB): An opportunity for chapters that do not reach quota during primary recruitment to bid to total and/or quota. The continuous open bidding process is less formal, and not all chapters will participate in continuous open bidding.

Day: EIU Panhellenic defines a day as being 12:00 pm to 12:00 pm the following day. Late fee fines will start at 12:01 pm the day something is due.

Ex: the budget is due July 31, 2018 by 12:00 pm. If by 12:01 pm it is not turned in, the late fee fine will be applied. The chapter has from 12:01pm to 12:00pm on August 1, 2018 to turn in the budget. If they fail to turn it in during that time period, they will be charge for a second day of late fee fines starting 12:01 pm on August 1, 2018.

Legacy: A daughter, sister or granddaughter of an initiated member of a sorority. Typically, different groups have different definitions of legacies. Being a legacy does not guarantee a bid to a particular sorority. Each inter/national organization has its own policy for invitations to legacies during recruitment

New member: A person who has accepted a bid from a sorority but is not yet an active member of that chapter. Chapters will have some sort of new member process during which the new members learn more about the sorority and prepare them for initiation.

“No Frills” recruitment: A recruitment style that focuses on quality communication with potential new members as opposed to decorations and matching outfits. For purposes of this document and the recruitment period, “No Frills” will be referred to as “Values-Based Recruitment.”

Panhellenic Recruitment Team: Collection of Panhellenic Council executive board members who support the recruitment process. This team consists of the Panhellenic President, Executive Vice President, Vice President of Recruitment, and Vice President of Recruitment Counselors.

Potential New Member (PNM): A woman who is eligible to participate in recruitment. On campuses that hold deferred recruitment during second semester, chapters might use the term PNM to refer to any woman eligible for recruitment.

Recruitment Counselor: A Panhellenic representative who is available to guide women through the recruitment process and answer questions. They are also an affiliate Recruitment Counselor.

Total: The allowable chapter size on a campus, as determined by the College Panhellenic that includes both new and initiated members. Chapters that fall under total are allowed to participate in continuous open bidding until they reach total.

Unanimous Agreements (UAs): Agreements between the NPC member organizations that provide for fairness and equality among the organizations. The UAs are passed unanimously, ratified by each member organizations inter/national president and binding on all NPC member organizations and their members. Each College Panhellenic (or the equivalent organization) and Alumnae Panhellenic must incorporate the NPC Unanimous Agreements into its governing documents.

Recruitment Video: An all encompassing video that portrays each chapter's values, purpose, and events that shows the chapter in a positive manner.

Appendix C: In Case of Emergency

Greek Court Duty: The duty number 217-549-9321. The person on duty name and phone number will be posted in each building.

Campus Police: Office: (217) 581-3213. Dispatch: (217) 581-3212. Emergency: 9-1-1
Throughout the past years, we have seen multiple different incidents happen during recruitment. Please remember to stay calm, most likely this has happened before and we have a plan on how to handle it. It is important to note that everything is in the best interest of the potential new members or current member. If you are helping someone and using proper judgment, it is not a recruitment violation.

As stated above, use your best judgment and common sense when handling certain situations. Please remember to always follow Greek Court emergency procedures. If you have any questions, please contact your ARD or SSA. At any time, you can also contact the Greek Court Staff member on duty. Please notify Panhellenic via walkie-talkie if anything happens.

While we cannot prepare for everything, below are incidents that we have seen in the past and how you should handle them. In case of an emergency, all info will be relayed via recruitment walkie-talkies.

Animal Procedures: If an animal (bat, squirrel, bird, etc.) is found in the chapter house, DO NOT TOUCH IT. Do not try and kill it- bats need to be captured alive to be tested. Please contact the Greek Court staff person on duty and they will handle the situation. Please create a list of anyone that could have come in contact with the animal incase the supervisor needs it.

Fire: Please remember there are to be no candles at all, this is a university policy. If you hear an alarm, please evacuate the building. If you see/cause a fire, follow the procedures below.

IMMEDIATE ACTION: Pull Alarm and Contact 911

SECONDARY ACTION: Evacuate the building following the emergency evacuation paths (located on the back of each student's room door.

NEXT ACTION: Contact Supervisor or Senior Staff on Call

The Potential New Members may not know the buildings emergency evacuation path, please help them get out safe.

Flooding/Thunder/Lightening/Hurricane: Potential New Members' are to remain in the houses they are currently at until it is deemed safe to move. Potential New Members shall be kept in the chapter room. The only active members in the chapter room shall be the President, Recruitment Chair(s), House Manager and the chapter advisor. All other chapter members should be in the bedrooms. Please try and keep the Potential New Member's safe and calm. You are allowed to talk to them, play games, etc. Don't be awkward. You will be contacted via walkie-talkie when it is safe to leave. The Panhellenic Recruitment Team and the Director of Fraternity and Sorority Programs will determine if recruitment will continue that day, and adjust the schedule or will adjourn recruitment for the evening and have a modified schedule for the following day.

Raining: If it is raining Potential New Member's will wait in the first-floor hallway of the houses until the start of the next round. The Panhellenic Recruitment Team will let each chapter know when the round is over so that the Potential New Members can go into the hallway and again when they shall leave.

Power Outage Procedures: Have everyone remain where they are. If it is dark, have the house manager access the flashlights. Wait till you hear further instructions from Panhellenic Recruitment Team or the ARD/SSA. If you leave the building, be careful of any down powerlines.

Tornado: Listen for the alarms and follow the instructions. Again, please keep the Potential New Member's calm. It is okay to talk to them; you are not violating any recruitment policies. Like the flood instructions, wait for further information from Panhellenic regarding rounds.

Tornado Watch – Weather conditions are such that a tornado **may** develop.

Tornado Warning – Tornado **has been sighted** and protective measures should be taken immediately. Seek shelter in the **lowest** protected area in your building and stay away from glass windows, sliding glass doors, etc. Take entire safety kit to lowest protected area and grab the Night Assistant radio, weather radio, and cell phone to take with you to the lowest protected area.

Upon being notified of a tornado warning Residents should:

- Close blinds and then stay away from windows.
- Close and lock room.
- Should be directed to the designated tornado area in the building. Residents may return to their rooms after a building staff member gives the “all clear”.

Fainting: If a Potential New Member or active member faints, please contact the Greek Court staff member on duty and follow instructions. If someone is about to faint, it is okay to give them water!

Other Health Emergencies: Always call the Greek Court staff member on duty and notify the Panhellenic Recruitment Team. Please use your best judgment. If someone is diabetic, it is okay to give them something to eat. As mentioned earlier, everything is in the best interest of the Potential New Member; if you are helping them you are not violating anything.
