Tugs

Rules and Regulations

ALL ROSTERS, LIABILITY FORMS, SPORTSMAN LIKE CONDUCT FORMS, AND CHAPTER CONDUCT CODES ARE DUE NO LATER THAN MARCH 23, 2026.

1. All forms listed above must be submitted to the Office of Fraternity and Sorority Life or handed in at a steering committee meeting. No exceptions or excuses will be accepted after the due date. If you miss this deadline, your chapters **WILL NOT** participate in the event(s).
2. Committee Chairs will not be held responsible for names that cannot be read. If your roster is ineligible, we will count it as incomplete.
3. During Tugs, there will be an area separating the tugs lane from the spectators. If any member of your chapter is in that lane at any time during Tugs, the team will be considered in violation of the conduct code and will be disqualified.
4. If a team withdraws from the competition, it will forfeit its seed position. Their team will not place or earn participation points in said event.
5. The event will be held over the campus pond, and the rope will be entirely wet before each Tug begins.
6. The start and end of a tug will be indicated by a **train horn or other amplified sound if the train horn doesn't work.**
7. Only turf or plastic shoes are allowed. No metal cleats may be worn, and judges will check participants' shoes prior to each tug (on the rope).
8. Substitutions of tuggers may be made before the tug but **must be from the alternate listed on the final roster.**
9. The team that can get two tuggers (second tugger knee deep) on the opposing team in the water first will be declared the winner.
10. No team member may assume a position behind the anchorman at any time. Only tugging members may touch the rope after the tug has begun to hold the slack. If necessary, a steering committee member will hold the slack.
11. The team coach may not touch the members once the tug has begun.
12. No more than two team coaches will be allowed in the lane; failure to adhere to this rule will result in immediate disqualification. Warnings will not be given.
13. Coaches must be current EIU students and active members of an Eastern Fraternity/Sorority organization.
14. A flagger is required for each team to raise and lower the flag. The flagger must be a member of the chapter, tugging can be an alternate, and not the Coach. This person must remain silent and clear-headed during the competition and must not move from the flag position.

Eastern Illinois University Fraternity & Sorority Life Greek Week Packet - 2026

15. Only the contestants' feet may touch the ground; unless the participant(s) slip or fall, in that event, a judge will issue a verbal warning, and the contestant will have 5 Mississippi's by the judge's count to resume their position. If five Mississippi's are exceeded, and the tugger has not resumed their position on the rope, then the individual will be disqualified.
16. NO SITTING ON FEET WILL BE ALLOWED. If caught sitting for more than 5 Mississippi's count by a judge, the individual will be disqualified.
17. Teams must remain in the tug lanes; otherwise, they will be disqualified. One false start will be allowed per team, per tug
18. Any attachment to a stable object (i.e., fence pole, tree, boulder, light pole with concrete block, a vehicle, etc.) will result in immediate disqualification, without warning, during Round 1, Round 2, Semi-Finals, and Championship tugs. **This includes Tugs practices.**
19. Other immediate disqualifications will result if: a. Intentional forward motion during the explosive stage. b. Intentional release of the rope. c. Intentional interference with the judges occurs (by any member of the chapter)
20. The rope will be entirely placed in the pond immediately after the prior tug. The team will be given a two-minute time limit to dry the rope. Following that, the team will have one minute to approach the rope. The team will then have up to two minutes to get set. When the horn sounds, the tug will begin, and then the horn sounds for the second time when the tug has ended.
21. There will be a two-minute time limit from "Tuggers get set" to "Your team's flag is down." If that time limit is broken, it will be considered a false start.
22. If a team refuses/declines to tug at any point, they forfeit their position and will not receive participation points for the event.
23. If three or more of the tuggers have been removed from the rope by judges or have voluntarily removed themselves from the rope, the tug will be called due to the safety of the tuggers, and the opposing team will have won that tug.
24. **If the Anchor has been removed from the rope by the judges or has voluntarily removed or untied themselves from the rope, the tug will be called due to the safety of the tuggers, and the opposing team will have won that tug.**
