Please Note, in Regard to the University Honors Class List for Fall 2018:

1. Courses in **red** have not been confirmed by their offering departments, though they appear in PAWS with days, times, and faculty assignments as indicated. It is still possible for one or more of those details to change.

If the course also includes a **TBA** where a faculty surname would normally appear, it is equally possible information in PAWS was for a mechanical placeholder rather than an actual course. Always have a back-up class ready, for each course with a **TBA**, just to be safe.

2. Beginning 2/21/18, the University Honors Class List will be made available online, under the "Academics" tab, in the left-hand sidebar, at <http://www.eiu.edu/honors>. That list will be updated to reflect any changes that might be made, by departments, to course offerings. Updates will be made as soon as notifications of changes are received.
3. *The following Fall 2018 Honors courses are designated as Writing Intensive. Writing samples from these classes can be used to satisfy the Electronic Writing Portfolio for students following the Fall 2008 or later catalog:*

5. *The following Fall 2018 Honors course is designated as Writing Centered. A writing sample from this class can be used to satisfy the Electronic Writing Portfolio for students following the 2008 or later catalog.*

*Exception: A student may not submit to the EWP writing samples from both **ENG 1091G** and **ENG 1092G**. A student may submit to the EWP a writing sample from only one of those two courses (the student's choice).*
