MOVE IN GUIDE

WELCOME FROM
THE DIRECTOR!

LET'S GET YOU SETTLED FOR THE YEAR!

WELCOME TO EIU! We are excited to have you living on campus this fall. For our returning students, I'm sure you are eager to reconnect with your friends and community. For new students, you are about to begin one of the most exciting and memorable experiences of your life - welcome!

New students - all of us at EIU realize that you may have never lived away from home and you might be a little anxious about the whole situation, but I want to assure you there's nothing quite like the journey you're about to begin. Your residence hall provides a home away from home and with that comes fond memories that will last a lifetime. Throughout all our on-campus housing there are student and professional staff whose priority is YOU. We are dedicated to emphasizing academic achievement while creating a community that fosters a safe and supportive living environment, as well as promoting diversity and leadership opportunities.

The key to your success is based on decisions you control. There are MANY opportunities for involvement on campus, from Panther L.E.A.D.S (Hall Council) to joining one (or more!) of the 150+ recognized student organizations you will find on campus. I guarantee that all incoming students are nervous about this transition. I can also assure you that with some effort on your part – those concerns of fitting in will melt away.

Returning students – we are so glad you've chosen to return to on-campus housing. Studies show that collectively, students that live on campus for 2 or more years graduate sooner and with a higher GPA than off-campus students! Now that you've got a year or two under your belt please know you play a vital role in helping our incoming students transition to college life – these students will look to you for guidance and support. Thanks for stepping up!

As you finalize your plans for coming to EIU, please take some time to read through this Move-In Guide to better prepare yourself. This guide will cover the following information:

- **THINGS TO DO ONCE YOU GET TO CAMPUS**
- **TRAVEL AND PARKING INFORMATION**
- **REQUIRED MEETINGS AND RECOMMENDED EVENTS**
- **REMINDERS AND UPDATES**

I look forward to having you on-campus! Feel free to contact Housing and Dining Services if you have any questions.

Sincerely,

Mark Hudson
Executive Director
University Housing & Dining Services

THINGS TO DO BEFORE MOVE-IN DAY

1. COMPLETE YOUR SHOPPING AND PACKING LIST. We want to make sure you have everything you need for a successful year! If you're renting a Microfridge from My Microfridge, they will be delivered straight to your room prior to move-in. Students in Pemberton, Ford, McKinney and Weller will already have one Microfridge unit in their room at no additional charge. For a complete list of things to bring and not to bring, visit eiu.edu/housing/list.php.

2. PURCHASE A PARKING PERMIT

If you are bringing a car and haven't purchased your parking permit, be sure to do so to avoid parking tickets! We do not enforce the student lots until the 2nd week of school. Parking permits for students (upperclassman and underclassmen) are available on the Parking Services website here: go.eiu.edu/ParkingPermit. Permits may be purchased online before arriving to campus so they will be mailed to your campus or off campus address after August 6. However, they can also be purchased on move-in day, move-in weekend, the first week of classes, or throughout the fall semester.

3. CONSIDER RENTER INSURANCE OR PERSONAL PROPERTY INSURANCE.

Contact your insurance provider to see if you're already covered. Eastern Illinois University and University Housing & Dining Services assume no responsibility for theft or damage to personal property or loss of money, valuables, or personal effects of any student or guest.

4. MAKE SURE YOU KNOW HOW YOUR MEAL PLAN WORKS.

Throughout the school year you can use your meal swipes in any of our Dining Centers (South Quad Dining Center and Stevenson Tower). Swipes reset every Monday morning and do not roll over. You can use one swipe every two hours. Dining Dollars can be used in places like the Food Court, Java B&B, and Thomas Marketplace Convenience Store. Check out our menu here: eiu.edu/dining.

You can increase your plan at any time during the semester. If you want to decrease your Fall 2023 meal plan, you must submit your change request in writing by August 25, 2023. The request must come from the student and include the desired meal plan and the student's name. Email requests to housing@eiu.edu.

CONNECT WITH US

Don't forget!

Electronic bills will be sent in early August. Students will receive an electronic copy of their bill in their Panthermail email accounts. This message notifies students that their most recent University billing statement is available online via their PAWS account at eiu.edu/paws.

Once the notification has been sent, it is the responsibility of the student to provide any third party (i.e., parent, guardian, etc.) copies of the billing statement. Please note the due date on the statement, as this is the payment due date to avoid a finance charge. Go on-line to eiu.edu/busofc/bursar/index.php for more information on how to make payments.

BEFORE CLASSES BEGIN, BE SURE TO...

1. LEARN WHAT IS HAPPENING ON CAMPUS.

Follow your Residence Hall, Greek Court, or University Court on Facebook to stay connected. Select halls have Instagram pages as well.

ETHERNET: For the best gaming experience, connect your device using an Ethernet cable.

You can also download Microsoft Office 365 software (Word, Excel, and PowerPoint) for free. Anti-virus and other software packages are also available from the ITS Help Desk. For help, call the Gregg Technology Center at **217-581-7633**.
