

ROOM FURNITURE

Be sure to move room furniture to the locations defined in the diagram

DESKS

- set flush with the wall
- hutches have already been affixed to desks (E)
- final placement of desks should resemble the diagram(s)

MAKE SURE TO . . .

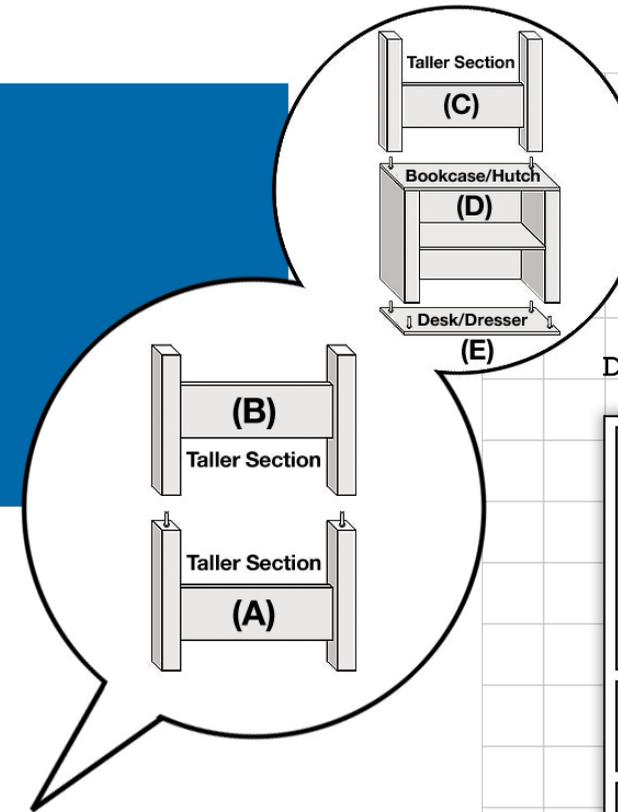

- use the pins to couple furniture pieces together
- you may request additional pins from your Greek Court Staff Member at no charge
- you will not be allowed to check out until all your furniture is moved to the locations defined in the diagram(s) with the pins in the proper place
- please be aware that failure to properly assemble room furniture will result in a \$25 improper check out charge and a \$20 assembly charge

LOFTED BEDS

- should be lofted
- guard rails out
- set flush with wall
- set taller section of bed frame (C) up
- set bed frame on top of desk hutches and dresser bookcases (D) using the pins
- desk and dresser should be facing each other
- final placement of beds should resemble the diagram(s) shown on this poster

DRESSERS

- bookcases should be stacked on top of dressers (E)
- set flush with the wall
- final placement of dressers should resemble the diagram(s) shown on this poster

Double Room
