

I am a Highly motivated and results-driven individual who seeks to better the condition of any organization or group at any opportunity given or grabbed to lead. I have long sought the chance where bringing the culture and promoting the togetherness of all will be my responsibility. I enjoy working with and serving people of different backgrounds and beliefs. I seek to encourage Eastern Illinois University and what it stands for to all the students and prospective students across the culture. Bringing the leaders of all other associations together is another thing I will have to achieve as the president.

My contributions include and will not be limited to: A) Ensuring a smooth liaison between the international students, executives, and the staff of the University. B) Make the relationships among the international student body more muscular. C) Promote inclusion of all cultures. D) coordinate the executives of other international student organizations. E) with my leadership experience in different capacities and organizations, I promote peace and unity as a leader. F) Making sure the international students are always communicated with and informing them of the importance of maintaining their status as a student of EIU. G) Making sure every activities are carried out as it ought to be.

All these and more I achieved during my position as a leader in the instances bellow:

- **Engineers/Marketers Coordinator**, Port Harcourt Electricity Distribution Company: I coordinated the activities of other trainee Engineers and Marketer, compilation of daily reports and report back to my supervisor.
- **Safety Champion**, Port Harcourt Electricity Distribution Company: I ensured the compliance of safety activities and working safe of other Engineers in the field in my business Unit.
- **Platoon President/Leader**: As a platoon leader, I lead my team of other Corp Members of over 500 members, lead them to various competitions and training as recommended and monitored by the Fedearl Government and NYSC.
- **Head of Corpers (HOC)**: I served as a middle man between the Principal of the School I served and the group of Students in the same school, I ensured all the Corp members did their jobs as at when due.
- **Corpers' Liaison Officer**: I was the liaison officer between my fellow Corp member in the whole local Government and the Local Government Inspector.
- **President and Cadet-in-Chief**, Federal Road Safety Corps CDS Group: I served as the president and leader of these group of Corp Member. I ensured the smooth relationship and the activities between the Corp Member, Students, Community and the Local Government Inspector.
- **Course Representative**, Electrical/Electronics Engineering Department, class of 2011: I stood between my coursemates, my depart.
