

Hello, Hope you are doing good.

So let's have a quick look into my profile.... :)

My Name is NIKHIL REDDY CHITYALA and I'm from HYDERABAD. I have always had a passion for leadership, organization, and management, which has driven me to take on various roles throughout my academic journey. From my early school days, where I actively participated in organizing events, to my role as a STUDENT COUNSELOR at the Student Activity Center (SAC) during my graduation, I have continuously find opportunities to enhance my skills. At SAC, I was responsible for coordinating college fests, technical tests, cultural, and sports events, contributing to a vibrant campus life.

Additionally, Me and few of my friends introduced the National Service Scheme (NSS) at our university and served as its VICE PRESIDENT. In this role, I organized university level and state level camps, including impactful initiatives like voter enrollment drives in rural areas. These experiences have significantly developed my communication, leadership, and teamwork skills.

Now, I am eager to bring my experience and dedication to the Indian Student Association (ISA) by applying for the Vice President and Treasurer position. I believe this role will allow me to further refine my skills while promoting and expanding our cultural presence within the university community. My commitment to organizing successful events and my enthusiasm for cultural exchange make me a strong candidate for this position.

I look forward to the opportunity to contribute to ISA's mission and enhance the experience of all students.

Thankyou... :)
