

I was high-school captain, I had various responsibilities to represent school during interschool events and I was spokesperson for my school students. Moreover, I coordinated various departments faculty and student council members. I am keen observant and took minutes for all board meetings. I was leading a group of student council with 20 head count. I have also managed and planned various cultural and sports events in my local community and college for example Annual cultural and art/talent fest, Annual sports events, Community celebrations (Holi, Diwali, Christmas, New year).

Additionally, I enjoy organization management activities, I'm good with numbers and has experience with book keeping. During my undergraduate studies, I did book keeping for a small business owner as a part time job.
