

While moving abroad many students will face many difficulties like food, Accommodation & etc. We have many dining halls across the eiu but we don't have a single Dining hall where we can get Indian food. These positions listed will help me to work with the EIU officials & Indian students. I can come cross many issues. We miss our family, friends, culture, festivals here. In few days we feel home sick.

BY organizing the events & culture programs at the campus our Indian community feels like it is home. We can meet new people across India. I Would like to associate with the ISA. I know it is a very responsible job. I am cable of handling the pressurable & sensitive situation easily.

I will be very happy if you consider for any position in ISA.
