

Hello,

I hope this message finds you well.

My name is Lakshmi Venkata Sai Ganesh Modugu (E12706188), and I am enrolled in the Master of Computer Technology program at Eastern Illinois University. I am reaching out to express my keen interest in the position of President/ Secretary of the Indian Student Association (ISA) at EIU. My enthusiasm for this role stems from my desire to build a strong, vibrant community among Indian students on our campus.

I am committed to organizing events that not only celebrate our rich heritage but also offer valuable opportunities for networking and social interaction. My goal is to ensure that the ISA hosts at least six engaging events each semester. I am prepared to dedicate significant time and effort to thoughtfully plan and coordinate a variety of activities that will cater to the diverse interests of our members.

Furthermore, I recognize the importance of fostering regular communication and active participation within the ISA community. To support this, I would like to facilitate bi-monthly meetings for all Indian students, creating a platform for open dialogue, constructive feedback, and collaborative idea-sharing.

As a prospective President, I am dedicated to being an inclusive and proactive leader, working diligently to enhance the ISA experience for every member. I would be honored to contribute to our community in this capacity.

Thank you very much for considering my application. I look forward to the opportunity to further discuss how I can contribute to the ISA.

Warm regards,

Modugu Lakshmi Venkata Sai Ganesh
