

## APPLYING FOR EVENT ORGANIZER POSITION

I am Navya Gadipudi, fall 2021 student. I am interested in even organizing role because I enjoy participating in different types of events related to youngsters and students. I used to contribute to aspects of planning, organizing in efficient and effective way to make the event successful and joyful in my school and under graduation. I also love to take feedback and choices from the audience in the following day to improve in further events. This event organizing may also help me in career as I am in field of project management. I believe in sharing and caring that is thrive team to achieve success in the project or event that been held.

Best Regards,

Navya Gadipudi
