

Employment Opportunities with Advocate Health Care

Advocate Health Care, the largest health care system in Illinois, offers employment opportunities in our Advocate at Work division which, includes fitness and wellness positions. Advocate at Work manages 18 fitness centers, as well as Advocate's Health You wellness program.

We also provide many wellness services to external clients.

We are recruiting highly qualified individuals who seek to improve the health of others.

If interested, please send your resume and cover letter to Sharon.godlewski@advocatehealth.com.
