PREAMBLE

This Agreement made and entered into this 22nd day of September 2017, by and between, the Board of Trustees on behalf of Eastern Illinois University, hereinafter referred to as the Employer, and the Painter's District Council #58, hereinafter referred to as the Union.

1.1 Objective

Both parties mutually agree that their objective is for the good and welfare of the University and Union members alike. Both parties further agree that in the interest of collective bargaining and harmonious relations they will at all times abide by the terms and conditions as hereinafter set forth and agreed upon. The Employer and Union regard all personnel as public employees who are to be governed by high ideals of honor and integrity in all public and personal conduct so as to merit the trust and confidence of the general public, fellow employees and students.

ARTICLE I UNION RECOGNITION

Section 1.01

The Employer recognizes the Union as the exclusive collective bargaining representative for the purposes of establishing wages, hours and conditions of employment for probationary and status painters and subforemen painters classifications as provided for in Illinois Compiled Statutes, Chapter 115, Section 5/1, certified by the Illinois Educational Labor Relations Board on January 29, 1998 (Case No., 98-RC-0007-S), and such other classifications as may be added by agreement of the Employer and the Union.

Section 1.02

The classifications used above are for descriptive purposes only. Their use is neither an indication nor a guarantee that these classifications will continue to be utilized by the Employer.

ARTICLE II NON-DISCRIMINATION

Section 2.01: Prohibition Against Discrimination

In accordance with applicable laws, both parties pledge and commit to not discriminate against any employee on the basis of race, sex, creed, marital status, national origin, age, religion, disability (mental or physical), or veteran status. Complaints involving discrimination or sexual harassment shall be reported to the Office of Civil Rights and Diversity.

Section 2.02: Non-Discrimination Against Union

Both parties agree that there shall be no discrimination against officers and members of the union engaged in the negotiation of Agreements, the adjustment of grievances or the performance of any other legal Union activity in the interest of the union and its members.

ARTICLE III UNION RIGHTS

Section 3.01: Union Steward or Designee

The Union Steward or designee, upon receiving approval from the appropriate supervisor, shall be permitted to devote reasonable time during working hours without loss of pay to investigate or process grievances or disputes provided this absence does not interfere with the Employer's operations. The Employer reserves the right to require reasonable documentation of time spent in processing grievances.

Section 3.02: Bargaining Unit Employees

Employees, upon receiving approval from the appropriate supervisor, shall be allowed reasonable time off during regular working hours, with pay, to attend grievance hearings or meetings called and agreed to by the Employer, provided such employees are entitled or required to attend such meetings by virtue of being a Union representative, witnesses, or grievant, and such attendance does not substantially interfere with the Employer's operations.

ARTICLE IV CHECK-OFF & FAIR SHARE

Section 4.01: Dues Check-Off

The Employer agrees to deduct Union dues and working assessment from the pay of those employees who individually request it. Upon receipt of a written and signed authorization card from an employee, the Employer shall deduct the amount of Union dues, working assessment and initiation fee, if any, set forth in such card and any authorized increase therein, and shall remit such deductions monthly to the Financial Secretary of the Union at the address designated by the Union in accordance with the laws of the State of Illinois. The Union shall advise the Employer of any increases in dues, working assessment or Fair Share Fees, in writing, at least thirty (30) calendar days prior to its effective date.

Section 4.02: Fair Share

Pursuant to Section 1711 of IRS Chapter 48, 115 ILCS 5/1 et seq. (Illinois Educational Labor Relations Act), the parties agree that as of the date of the signing hereof, if a

majority of the members of the bargaining unit recognized hereby have voluntarily authorized a deduction under Section 24.01 of the Article, or if the Union otherwise demonstrates and verifies to the Employer's satisfaction in a manner acceptable to the Employer that such majority of the members of said unit are dues paying members of the Union at the time, non-union members employed in status positions in the unit, who choose not to become members within thirty (30) calendar days of the signing hereof, shall be required to pay a Fair Share Fee not to exceed the amount of dues uniformly required of members. Such Fair Share Fee shall be deducted from the employee's paycheck. Such voluntary deduction shall remain in effect for the duration of this Agreement unless said amount is changed by action of the Illinois Educational Labor Relations Board (IELRB). Such voluntary deductions shall be forwarded to the Union along with the deduction provided for in Section 4.01.

Section 4.03: IELRB

The Employer and the Union are both cognizant of the provisions of the IELRB Act and Rules promulgated by the IELRB, which deals with the Fair Share Fees. The Act and these Rules are incorporated in this Agreement by reference and the Employer and the Union agree to comply with and abide by all provisions of the Act and Fair Share Rules.

Section 4.04: Bona fide Exception Criteria

In the event that any employee covered hereby is precluded from making a Fair Share contribution as required by Section 4.02 hereof on account of bona fide religious tenets or teachings of a church or religious body of which that employee is a member, that employee shall have the right to refuse to allow said involuntary deduction, provided, however, that said right to refuse shall continue only so long as the employee makes contributions at least equal in amount to a non-religious charitable organization mutually agreed upon by the employee so refusing and the Union. For this purpose, the Union shall certify to the Employer the names of all employees covered hereby who are relieved of this obligation to pay a Fair Share by virtue of this Section and it shall be the sole obligation of the Union to verify that contributions contemplated hereby have actually been made and that said employees are not subject to a Fair Share involuntary deduction.

Section 4.05: Indemnification

The Union shall indemnify, defend and hold the Employer harmless against any claim, demand, suit, cost, expense, or any other form of liability, including attorney's fees and costs arising from or incurred as a result of any act taken or not taken by the Employer,

its members, officers, agents, employees or representatives in complying with or carrying out the provisions of this Article and including any charge that the Employer failed to discharge any duty owed to its employees arising out of the Fair Share or Dues Check-Off Article.

ARTICLE V MANAGEMENT RIGHTS

Section 5.01

The Union recognizes and supports the Employer's retention to itself of all rights, power, privileges, responsibilities and authority conferred upon and vested by either law or the rules governing the State Universities Civil Service System of Illinois or the rules governing the Board of Trustees of Eastern Illinois University, whether exercised or not, including but not limited to the right to operate, manage, control, organize and maintain the University and in all respects carry out the ordinary, regular and customary functions of management.

Any power or authority which the Employer has not abridged, delegated or modified by the express provisions of this Agreement is retained by the Employer. The Union in recognizing the Employer's rights to manage its operations agrees to cooperate in creating the highest degree of efficiency in such operations.

ARTICLE VI GRIEVANCE AND ARBITRATION PROCEDURE

Section 6.01: Purpose

The purpose of the grievance procedure is to secure, at the lowest possible level, a resolution of alleged violations of the Agreement. Both parties shall make an earnest and honest effort to resolve grievances expeditiously and cooperatively.

Section 6.02: Grievance Defined

A grievance is defined as a claim by an employee or the Union concerning a violation of a specific provision(s) of this Agreement. Any grievance filed shall be on a form prescribed by the Employer (Addendum B) and refer to the specific provision of the Collective Bargaining Agreement alleged to have been violated. The grievant and/or the Union shall set forth the facts pertaining to the alleged violation.

Grievants shall be permitted, as specified in Article III (Union Rights), Section 3.02, to attend the grievance hearing without loss of pay if the meeting is scheduled during working hours.

Section 6.03: Grievance Procedure

It is agreed that the steward and/or subforeman and the affected employee(s) will first discuss problems within the bargaining unit and attempt to settle the matter prior to accessing the formal grievance procedure.

- STEP 1: If the matter is not resolved informally within the unit, within five (5) working days after the occurrence, or within five (5) working days after the grievant knew or should have known of the conditions causing the grievance, the grievant and the Union shall orally present the grievance to the designated supervisor outside the bargaining unit. The designated supervisor shall provide a written response within five (5) workdays after such presentation.
- STEP 2: If the issue is not resolved within the bargaining unit or at Step 1 and the employee wishes to formally file a grievance, the employee and/or a Union representative shall have five (5) working days from the date of the Step 1 response to file a written grievance. The written grievance shall be presented to the Director of Facilities Planning and Management or designee. The Director or designee shall respond in writing within ten (10) working days.
- STEP 3: If a grievance is not resolved at Step 2, the same written grievance shall be presented, by the Union, to the Director of Employee and Labor Relations or designee within five (5) working days after the Step 2 response. The Director of Employee and Labor Relations or designee shall conduct a hearing on the grievance within ten (10) working days. The Director or designee shall respond in writing within five (5) working days after the hearing.

Nothing in this Agreement or Article prevents an employee from presenting a grievance to the Employer and having it heard and settled without the intervention of the Union. The Union shall be afforded the opportunity to attend such conference and any settlement made shall not be inconsistent with the terms of the Agreement in effect between the Employer and the Union.

6.04 Arbitration

- A. If the grievance is not resolved with the Step 3 response, the same written grievance may be referred to arbitration by notifying the Director of Employee and Labor Relations or designee in writing within five (5) working days after the receipt of the third step response. The parties agree that only the Employer and the Union have the right to submit a

grievance to arbitration. The Director of Employee and Labor Relations or designee and the Union shall attempt to agree upon an arbitrator, but if they are unable to do so within ten (10) working days of the written notice to arbitrate, the parties shall jointly request the American Arbitration Association, Federal Mediation and Conciliation Service, or other mutually acceptable service to submit a panel of seven (7) arbitrators. The parties shall alternately strike the name of three (3) arbitrators, taking turns as to the first strike. The remaining person shall be the arbitrator, who shall be notified of their selection by a joint letter from both parties. A date and time for the arbitration hearing shall be established subject to the reasonable availability of the parties.

- B. Both parties agree to attempt to arrive at a joint stipulation of the facts and issues to be submitted to the arbitrator. The Employer and the Union have the right to request the arbitrator to require the presence of witnesses and/or the production of documents. Each party shall bear the expense of its own witnesses who are not employees of the Employer. The Employer shall not be obligated for payment of employee's travel expenses and/or time spent at the arbitration hearing.
- C. The arbitrator shall have no authority to amend, modify, nullify, ignore, add to or subtract from any provision of this Agreement. The decision of the arbitrator shall be final and binding on the parties. The expense and fees of the arbitrator and the associated cost of the arbitration shall be shared equally by all parties. However, the party canceling the arbitration hearing without prior written approval of the other party, shall be responsible for the cancellation fee and all associated expenses.
- D. Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the grievance.
- E. Unless mutually agreed to otherwise, grievance and arbitration hearings shall be held on the campus of Eastern Illinois University or within the City of Charleston, Illinois.

Section 6.05

- A. Grievances may be withdrawn at any step of the grievance procedure without prejudice. Grievances not advanced to the next step or appealed within the designated time limits shall automatically advance the grievance to the next step of the grievance process.

- B. The time limits at any step or for any hearing may be extended in writing by mutual agreement of the parties involved at that particular step.
- C. The parties agree that probationary dismissals and classification audit decisions shall not be grievable under the Grievance/Arbitration Article of the Agreement.

Section 6.06: Discharge/Demotion Options

If the Employer finds it necessary to initiate discharge or demotion proceedings against an employee covered by this Agreement, both the Union and employee shall be notified of the intent to discharge/demote. The parties agree that the Union shall have the right to pursue a discharge/demotion decision either through the Grievance/Arbitration Article of the Agreement or the Civil Service Merit Board Appeal Process. The parties agree that the process not chosen is thereby waived. Discharge/demotion grievances shall be filed at the third step of the grievance process. Discharge/demotion appeals to the Merit Board shall be as outlined in the State of Illinois Universities System Statute and Rules.

ARTICLE VII NO STRIKE OR LOCKOUT

Section 7.01: Union

It is hereby agreed by the Union and the Employer that since this Agreement provides for the orderly and amicable resolution of disputes, differences, disagreements, or controversies over hours, wages and terms and conditions of employment, there shall be no strikes, work stoppages, slowdowns, pickets, or any other form of concerted, collective or individual job action during the term of the Agreement.

Section 7.02: Employer

During the term of the Agreement, no lockout of bargaining unit employees shall be instituted by the Employer or their representatives.

ARTICLE VIII WAGES

The parties agree that the wage rates (Addendum A) for bargaining unit employees were arrived at through negotiations.

It is agreed by the parties that these wage rates were established using the wage rates previously negotiated in the Painters' Local #363 area agreement as a point of reference. It is further agreed that the parties will use the wage rates provided in the Painters' Local #363 area agreement as a point of reference for negotiation on wages; however, this provision is not to be construed as a me-too provision in this agreement.

The parties also agree that if the State of Illinois appropriated salary dollars approved for Eastern Illinois University each contract year are insufficient to fund the negotiated pay increases for bargaining unit employees, then the Employer shall rely on Article V (Management Rights) to address this issue.

This Section pertains to wage and salary increases only. It stands alone and is not to be interpreted as limiting the Employer, in any way, in its right to manage its operations.

ARTICLE IX HOURS OF WORK & OVERTIME

Section 9.01 (a): Work Week

The normal work week shall start on Monday and conclude on Friday. The normal workday shall consist of seven and one-half (7.5) consecutive hours with a one-half (1/2) hour unpaid lunch period between the 4th and 5th hour after the starting time. The normal workday shall be 7:00 a.m. to 3:00 p.m. Work hours may be adjusted on a temporary basis to take advantage of daylight hours, weather conditions, shift, or traffic conditions. Only employees assigned to the second shift on a temporary basis or a replacement for an employee on the second shift shall be eligible for a shift differential of seventy-five cents (.75 cents) per hour (1/2 hour minimum) for all hours worked on the second shift.

The shift differential shall be added to the employee(s) base hourly wage when calculating overtime. Furthermore, the shift differential shall be added to the base hourly wage only for non-work hours paid for holidays and accrued leave, provided the employee was receiving a shift differential immediately prior to the holiday or accrued leave and/or would otherwise be scheduled during the holiday(s) or accrued leave(s) so as to receive a shift differential for actual hours worked.

In the event that a second shift is implemented it will include a minimum of two (2) bargaining unit members. It shall be offered on a voluntary basis first, starting with the most senior to the least senior member. If there are not any volunteers then a

mandatory shift change will start with the least senior member and will conclude when two (2) unit members are successfully assigned.

Section 9.01 (c): Summer Compressed Work Schedule

The Employer may implement a four and one-half (4 ½) day work week in the Summer months (approximately May through August).
