

## WILLIAM GENE AND BRIGITTE JOHANNA BROWN SCHOLARSHIP

The following basic criteria will be applied to applicants:

- declared a major in Foreign Languages
- Sophomore standing or above at time of award
- cumulative GPA of 3.0 or better overall
- preference given to Teacher Certification candidates
- preference given to participation in Study Abroad
- at least one semester of study left after the award is made
- promoted or participated in campus Foreign Languages activities (e.g. language clubs, volunteer tutoring, Latino Heritage Month Celebration, French Week, Foreign Languages Week, etc. See #12 on application.)

All criteria will be interpreted according to the discretion of the Department's Scholarship Committee. In judging a scholarship candidate, the Committee will consider a student's potential for making a contribution in the area of Foreign Languages as well as evidence of academic achievement, responsible character, sense of purpose, growth, and participation in departmental activities. Significant contribution to foreign languages or the department may be a deciding factor, if all other criteria are judged equal.

Students wishing to apply can obtain a scholarship application in Coleman 1159 or print an application from our website [http://www.eiu.edu/language/student\\_scholarships.php](http://www.eiu.edu/language/student_scholarships.php)

Completed applications are due in Dr. Landrus' office (Coleman 1355) **no later than 3:00 pm March 3, 2017.**

Scholarships will be awarded in varying amounts depending on the number of scholarships awarded and funds available for distribution. Generally, the awards will be no less than \$250 and no more than \$1,000 in any one year.

Students may apply at the end of their freshman, sophomore **and/or** junior years.

Unless special arrangements are made in advance, awards will not be distributed until after the second week of the fall semester following a candidate's selection. Students who do not return to EIU or enroll in an approved study abroad program in the fall will forfeit the award.

Scholarship winners are expected to perform some service for the department during the academic year following receipt of the award. This service may take the form of unpaid tutoring, helping with the language clubs, honor societies, fund-raising, or some other appropriate service in or for the department. Those who do not fulfill this requirement will be ineligible for further departmental aid.
