

Keyesport, Ill. Mar. 15th, 1900.

L. C. Lord-

Charleston, Ill.

Will there be a summer review term in Charleston and when will it begin?

I want to go to a Normal school this ^{summer} and Carbondale isn't a healthy place for me.

Will you please answer. I would like to study botany, physics, and zoology and take physical training.

Very Respectfully
Sophia Prather.
