Mr. Livingston C. Lord,
Charleston Illinois.

Dear Sir:

At the meeting of the Board of Trustees of the E. I. S. N., on next Monday, if the opportunity presents itself, would you kindly mention me to English Brothers, as candidate for the place of Superintending the work on the ground, in general, of the Dormitory, or as contractor of the wood-work, if same is to be let?

I am sending this note, thinking perhaps it will take less of your time, than to see you in person.

This favor will be highly appreciated by me and thanking you in advance,

I am respectfully yours,
B. R. Maxwell.
