Eastern Illinois University Health and Counseling Services – Medical Clinic

For Camp and Conference Guests

Eastern Illinois University Health and Counseling Services – Medical Clinic is available for camp and conference guests during regular operating hours for primary care visits. The HCS Medical Clinic is an ambulatory facility (patients must be able to get to the HCS Medical Clinic for treatment) and does not function as an emergency room.

Medical Treatment Form:

Participants are required to submit a “Medical Treatment” form with their camp registration information. A copy of this form is provided to the HCS Medical Clinic, in the event that a camp or conference guest needs medical treatment on campus. Additionally, the treatment form is kept with the respective camp organizers. For emergency or “after hours” care, the treatment form would be available to the medical provider by the camp organizer.

Health and Counseling Services – Medical Clinic Service Charges:

The individual camp and conference fees, paid by participants, do not include provisions for services rendered at Eastern’s HCS Medical Clinic. **Charges incurred at the HCS Medical Clinic are the responsibility of the camper or the parent/guardian, if the camper is under the age of 18.** Charges are expected to be paid by the individual at time of treatment. Charges not paid will be added to the final invoice sent to the camp or conference.

Insurance Processing:

The HCS Medical Clinic is not able to process insurance claims for patients since “on campus” medical services are funded by our student’s Health Service fees. For this reason, health care services are billed directly to the camp participant or parent/guardian. HCS Medical Clinic bills are properly coded to enable patients to submit their bills for reimbursement or payment through their primary health care insurance provider, if desirable or possible. Please be aware that not all insurance providers will honor services rendered outside their realm of medical providers. Questions about health insurance coverage, while attending a camp or conference at Eastern, should be directed to the participant’s individual insurance providers.

Services Available at Eastern’s Health and Counseling Service Medical Clinic:

Our services include medical treatment, exams, consultations and referrals for specialty care, standard laboratory and x-ray procedures, pharmacy services, over-the-counter medications and medical supplies (such as slings, braces, etc.)

Office visits: **\$ 30 for RN visit** (Visitors who “walk-in” for care are initially triaged by a RN. It is not always necessary for visitors to be scheduled with a MD for services a RN is capable of providing. A RN may require MD services following an initial triage.
 \$60 for MD visit (includes RN triage and MD visit)

Other fees

For services:	Laboratory Tests	\$10-\$100 per test
	X-ray Services	\$50-\$170 per exam plus \$15 radiology charge
	Pharmacy Services	Cost of Rx + \$2, starting at \$10, if available

(Pharmacy medications may be filled by the Health and Counseling Services pharmacy or a local retail pharmacy off campus. The Health and Counseling Services pharmacy does not accept Medicaid, insurance or charge cards. Payment for pharmacy medications must be made in cash upon receipt of the prescription.)

All Health and Counseling Service fees are subject to change. The above prices are to be used as a guide.

EMC Behavior Agreement

In addition to the other Rules and Regulations listed in a separate document, this document expands on the “no bullying” portion of the policies.

Definitions:

BULLYING—Any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student that has or can be reasonably predicted to have the effect of one or more of the following:

1. placing the student in reasonable fear of harm to his/her person or property;
2. causing a substantially detrimental effect on the student's physical or mental health;
3. substantially interfering with the student's academic performance; or
4. substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by camp.

Bullying may take various forms including, without limitation, one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is illustrative and not exhaustive.

CYBER-BULLYING—Use of information and communication technologies to support deliberate, hostile behavior, through a single incident or repeatedly over time, by an individual or group, that is intended to harm others or has the potential to create a material disruption to the camp environment. Any action of bullying or harassment that has the potential to cause material disruption at camp that occurs on campus or away from campus in cyberspace will be considered as school-related, including on any form of social media.

HARASSMENT— Subjecting a student to a hostile or intimidating camp environment because of, but not limited to, the individual's race, religion, creed, color, national origin, age, physical aspects or ability, gender, or actual or perceived sexual orientation. Harassment includes any action that may cause an individual to be alarmed, intimidated, or have serious discomfort in the school setting. Harassment may be physical, verbal, or visual (notes, drawings, gestures, etc.) and includes hate speech.

Bullying/Harassment Conduct Agreement

Please Understand:

- Harassment is defined by the victim, not the harasser. **ANY** action that causes the victim to feel threatened, belittled, afraid, ashamed, hurt or upset in any other way must immediately cease. It may be necessary for the parties listed above to have no further contact with each other, to the extent they may not even look or talk to each other.
- Responding to harassment with harassment is not acceptable. If you can't make it stop, ask an adult for help.
- While students have rights to freedom of speech, rules of conduct expressly forbid menacing, fighting, profane or obscene language, and any other behaviors meant to cause harm.

Harassment behaviors, whether face to face, indirectly, or electronically, may include, but are not necessarily limited to:

Verbal Aggression:

Name Calling
Mocking Teasing or using sarcasm
Spreading rumors
Threats
Making noises at someone

Intimidation:

Publicly challenging others to do something they don't want to do
Playing a dirty trick
Taking things
Demanding money or extorting other items

Emotional:

Excluding
Tormenting
Hiding things
Threatening gestures
Ridiculing
Instigating-(any other acts not mentioned)
Staring

Physical aggression:

Pushing, Tripping, Kicking, Pinching, Punching, Spitting, Slapping

Sexual:

Touching
Dirty Jokes or sexual language
Inviting out on dates or to go steady when they have said they are not interested
Nicknames

Racial or Stereotyping:

Derogatory comments or nicknames about physical, behavioral or cultural, differences

Written or electronically generated:

Threatening or inappropriate notes or drawing
Any items listed above taking place on electronic media.

Any reports of bullying will be taken seriously and investigated. Consequences range from discussion and changes to behavior to dismissal from camp.

In signing below, I state that I understand the Eastern Music Camp bullying policy and will abide by the Rules and Regulations of the camp.

(Visual/Audio)**

I, _____, ("Releasor" herein) being of legal age and parent/guardian of _____, ("Camper") hereby agree and consent to permit the Board of Trustees of Eastern Illinois University ("University"), through its employees, agents, and/or contractors to obtain and use the camper's image or voice in any medium (tape, film, video, electronic, etc.) on the topic(s) of: Eastern Music Camp (the "Production").

I grant the Board of Trustees and Eastern Illinois University, and those acting under its permission and authority, the right and permission to disclose the camper's identity and to reproduce in whole or in part, in every manner or form, and circulate, distribute, show, play, or otherwise display videotapes, films, photographs, and transparencies of the camper and/or recordings of the camper's voice for educational purposes arising out of his/her voluntary participation in the Production of Eastern Music Camp during the week of July 16 – 22, 2023.

I enter into this Agreement of my own free will, with no requirement to do so, with the sole consideration being the University permitting the camper to appear in the Production, and I understand there will be no payment or other compensation. I hereby waive for the camper, myself, my assigns, heirs, next of kin, and personal representatives any claim to any rights or benefits derived directly or indirectly from the camper's appearance in the Production and any claim for damage to the camper's person, property, or reputation, or for invasion of privacy. I hereby assign and transfer to the University, its successors and assigns, any title, right, interest, ownership, and all subsidiary rights that the camper may have in and to the videotape described above, including but not limited to the right to procure copyright therein in the name of the Production and the right to secure any renewals, reissues, and extensions of any such copyright in the United States or any foreign country. I affirm that to the best of my knowledge any material furnished and used by the camper in the presentation is the camper's own original material or materials which he/she has full authority to use for such purposes. The University shall have the right to revise and/or edit the videotape.

I hereby attest and certify that the camper is in excellent health and does not have any physical defects or post-medical history that would in any way affect his/her participation in the making of the Production. Any risks and hazards inherent in the camper's participation in the making of the Production have been fully explained to me and I hereby elect voluntarily to allow the camper to participate in the making of the Production. I VOLUNTARILY ASSUME FULL RESPONSIBILITY FOR ALL RISK OF LOSS, DAMAGE, OR INJURY, INCLUDING DEATH, THAT MAY BE SUSTAINED BY THE CAMPER, OR ANY LOSS OR DAMAGE TO PROPERTY OWNED BY THE CAMPER AS A RESULT OF HIS/HER PARTICIPATION IN THE MAKING OF THE PRODUCTION.

I release, waive, and discharge, for the camper, myself, my assigns, heirs, next of kin, and personal representatives, any and all claims of any kind against the University, and the interviewer/photographer on account of the use of the Production.
