

*The cold never bothered  
her anyway...*

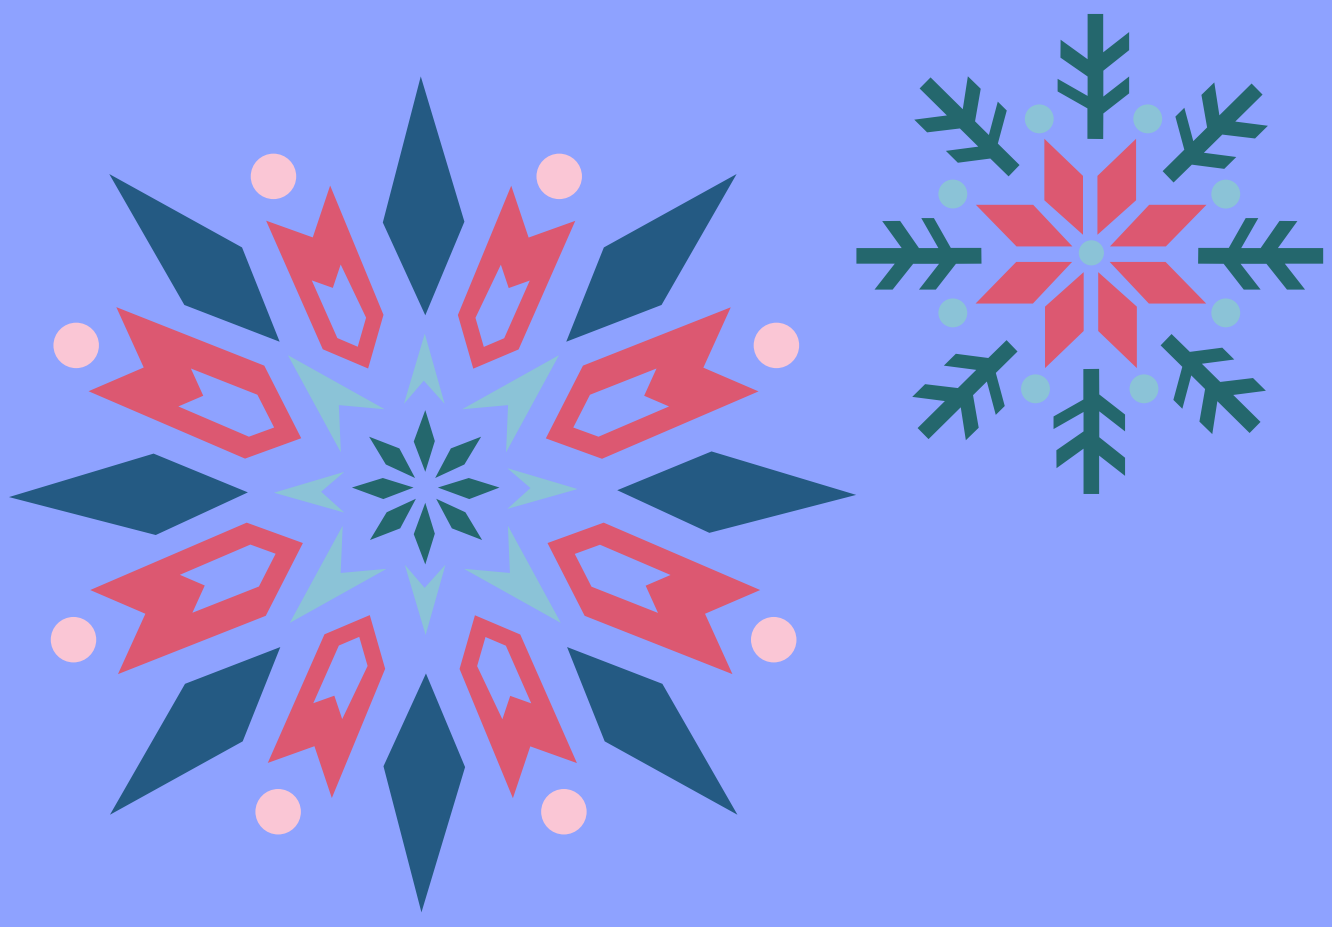

With working at the housing office, keeping up with each front desk (regardless of weather conditions), and always staying on top of campus mail, Holly is one of a kind! We are extremely grateful for the amazing work she does!

*Love is an open door...*

Not only does Holly have love for EIU and all our fellow panthers, she also loves her family! Holly has two amazing children that she loves dearly. We consider ourselves lucky to get to know a loving personality like Holly's!
