

EASTERN ILLINOIS UNIVERSITY™

Driving Directions to Visitor Parking Lot X

Arriving by I-57 (north or south): Take Exit 190A towards Charleston and follow Route 16 East about 4 miles to arrive in town. Route 16 will become Lincoln Avenue. Turn right onto 7th Street (just after Old Main, the “castle”). The Visitor Parking Lot is directly across from the water tower.

Arriving by I-70 (east or west): Take Exit 119 towards Charleston and follow IL Route 130 North about 20 miles to arrive in town. Route 130 will become 18th Street, which you’ll take to the first stoplight near Charleston High School. Turn left onto Lincoln Avenue, then turn left on 7th Street (just before Old Main, the “castle”). The Visitor Parking Lot is directly across from the water tower.

Arriving by IL Route 130 from north of Charleston: Follow IL Route 130 until you get to the Huck’s gas station, then turn right onto Madison Avenue and immediately turn left onto 4th Street. Follow 4th Street a mile to the first stoplight and turn left onto Lincoln Avenue (near the Jimmy John’s restaurant). Turn right onto 7th Street (just after Old Main, the “castle”). The Visitor Parking Lot is directly across from the water tower.

Arriving by IL Route 130 from south of Charleston: Follow IL Route 130 until you arrive in Charleston. Route 130 will become 18th Street, which you’ll take to the first stoplight near Charleston High School. Turn left onto Lincoln Avenue, then turn left on 7th Street (just before Old Main, the “castle”). The Visitor Parking Lot is directly across from the water tower.

Arriving by IL Route 16 from east of Charleston: Follow IL Route 16 into Charleston. Route 16 will become Lincoln Avenue. Turn left on 7th Street (just before Old Main, the “castle”). The Visitor Parking Lot is directly across from the water tower.

Arriving by IL Route 16 from west of Charleston: Follow IL Route 16 into Charleston. Route 16 will become Lincoln Avenue. Turn right on 7th Street (just after Old Main, the “castle”). The Visitor Parking Lot is directly across from the water tower.
