

Panther Family Association Meeting

May 12th, 2025

- Flyer for parent folders during orientation: what do you think?
 - We will be adding payment methods (cash, check, and potentially online link)
 - Cannot use apps (Venmo, CashApp, Apple Pay, etc)
- No longer using teams, will stick to email correspondence for time being, shift to app after recruitment cycle.
- Family Weekend volunteer list:
 - Pancake Breakfast: Traci, David & Julia
 - Tailgate: David & Julia, Traci
- What needs to happen this summer to ensure we are ready for a successful recruitment cycle during Family Weekend?
 - We will be introducing families to PFA at orientation during the parent program in addition to using the flyers.
 - QR code/link for families to express interest and get updates once the school year starts back up
 - Outreach to families that express interest: Anyone interested in assisting with that?
 - Maybe not.
- Next meeting will be in September; I will follow up in late August to inquire about everyone's availability.
 - If you have any questions or concerns throughout the summer, please don't hesitate to email me though!
