# Mission Statement

Our Mission is to provide  
excellent care with  
compassion and commitment.

# Four Pillars

**Service:** Passavant Area Hospital will provide compassionate and individualized care in a safe environment. Patient, employee, and physician satisfaction will be our quality standard.

# Four Pillars

**Attitude:** Passavant Area Hospital employees will demonstrate a cooperative spirit, courtesy, and respect for everyone, loyalty and commitment to Passavant Area Hospital, and a positive attitude to build an environment of trust and safety for all.

# Four Pillars

- **Finance:** Passavant Area Hospital will maintain financial viability while meeting the hospital's mission to provide excellent and safe patient care regardless of ability to pay and will strive to achieve growth in volume and service.

# Four Pillars

- **Excellence:** Passavant Area Hospital will provide excellent and safe patient care through continuous improvement processes and will be an innovative partner in improving the health of the communities we serve
