Top 5 things learned through MSND experience

1. Ask Questions
 - St. Mary's staff members are accustomed to helping interns and will gladly help with any objective.
2. Be Flexible
 - Schedules *will* change depending on the availability of others.
3. Plan Ahead
 - Review objectives before each rotation in order to arrange tours and appointments.
4. Offer Help & Be Friendly
 - Networking and building relationships will help you complete objectives
5. Have Fun
 - Laugh along and smile with others, take picnics by the lake during lunch, and remember to enjoy life.
