

MINOR IN TALENT DEVELOPMENT

Eastern Illinois University offers a variety of majors and minors, the role of undergraduate majors in the curriculum is to ensure that all graduates have experienced the challenges and rewards of studying an academic discipline or interdisciplinary subject in considerable depth.

Minors demonstrate skill development in a focused area of concentration. Whether you are an Organizational Development major, or are pursuing another EIU major, you have the opportunity to pursue a minor with the Department of Organizational Development. Students must also complete all graduation requirements for their major.

TALENT DEVELOPMENT

The minor in Talent Development provides students with opportunities to learn skills needed to develop talent within any organization.
