## WHY CHOOSE EIU?

Don't take our word for it.  
Check out what our students have to say!

**RACHEL PRICE**

Environmental Biology  
Shelbyville, IL

EIU is very affordable and has an absolutely beautiful campus. The small class sizes were the biggest pull for me because I knew I would never get lost in a sea of a 100+ students in a lecture hall like I could at other universities.

**JOSEPH BATES**

Public Relations  
Fairview Heights, IL

I chose EIU because of the friendly environment on campus. The first time I stepped on campus I knew I was coming here because of how friendly and welcoming the environment was.

**CIERA TERRY**

Biological Sciences/Music  
Villa Ridge, IL

I liked EIU because of the small class sizes and the friends I met on college visits. Everyone seemed genuinely concerned and I received personal assistance during registration and counselors were friendly and helpful throughout the registration process.

**RYAN MOORE**

Sociology  
Lawrenceville, IL

I chose EIU because of its reputation in my local community. EIU was known for being affordable, accessible, and a place where students can thrive. It only took one visit and I had decided that EIU was where I wanted to continue my academic career and it was the best decision I've ever made.
