

EASTERN ILLINOIS UNIVERSITY™

WELCOME TO THE PACK!

PATHWAYS TO ACHIEVEMENT, CONFIDENCE & KNOWLEDGE

EIU has a long-standing tradition of helping students accomplish their life goals by combining **strong academics** with **meaningful personal connections**. We know that test scores and GPAs don't always show the full picture of what a student is capable of, and that's where PACK comes in.

This program is built on the belief that you have incredible potential and can thrive at EIU with the right support. Previously known as the Gateway Program, PACK now offers an even stronger support system to help you succeed:

- Dedicated and experienced Senior Academic Advisors
- Academic coaching and tutoring
- Personalized support services to help you stay on track
- Opportunities to join Fraternity & Sorority Life

**REGULAR CHECK-INS,
GRADE MONITORING,
GOAL-SETTING AND
MORE IN A GROWTH-
ORIENTED, SUPPORTIVE
COMMUNITY.**
