Will you please to with-
hold Licenses from Jerry
Pove or any other man
or men to sell intoxicating
Liquor, at or in the vicinity
of Bluevill, { the above place

Whiskey is now being sold at
greatly to the annoyance of
the neighborhood and especially
to the worshipping congregation
who meet at the church.

I have never been so annoyed
during my ministry as I have
for the last three weeks.

It is all so sold on Sunday.
I have asked one Pove to
not sell, that he refuses ^{to testify}.

Now appeal to your honor
for the good of the neigh-
borhood for the quiet worship
of God to with-hold "Licenses"
I am yours respectfully Rev J. H. Gunn
