

Course Articulation Change Request
Eastern Illinois University
Office of the Registrar
581-3511

Course articulation is the process by which one institution matches its courses or requirements to course work at another institution. This form is to be used to change the current articulation for a transfer course. The articulation of IAI General Education and Major courses must follow IAI guidelines. Note that the effective term for any change will be the upcoming term, not the current term. Please complete I, II and IV below.
