

## Request for Audit Grading Status

### Audit Grading Policy

Requests for audit status must be filed with the Office of the Registrar during the six calendar days following the first day of classes for Fall and Spring terms; the first two calendar days following the first day of classes for Summer term. Conditions of audit follow:

Students must have the approval of the instructor in order to audit a course. If, in the opinion of the instructor, student exposure and effort expended in the course deserve the entry of "Audit," the student will receive such entry on his permanent record. If not, no entry will be made.

I have read and understand the above policy statement. This course is part of my regular schedule, and it is part of my load for academic. Tuition and fees for auditing courses are the same as courses taken for credit.
