- Hold with 2 hands at all times.
- If feel nauseous, set goggles down, sit in chair, raise hand.
- Also not a "rule", but mentioned black scroll button on top can help focus if they feel what they see is blurry. Or just hold back from face a bit

- Works at all grade levels: Kinder to high school
- First time- keep it simple..It's for the teacher the first time
- Give time to look around first
