

Sexual Violence Prevention Team
Meeting Minutes
January 28, 2019 Casey Room

- I. In attendance: Lindsay Wilson (Counseling Clinic), Jenny Sipes (VPSA), Marjorie Worthington (Women Studies), Kasey Brown (HERC), Rebecca Cash (SBG), and Beth Gillespie (Civic Engagement)

- II. Goal: Spread educational efforts throughout year
 1. SBG- Rebecca Cash, SBG President, open and interested in getting SBG involved. Marjorie (Women Studies) discussed events and ideas they have planned such as #metoo and discussed coordinating/collaborating with SBG in outreach and promoting outreach events. Outreach events will be sent to Lindsay Wilson, to be added to the webpage and shared with Jody Stone for tracking outreach efforts conducted on campus.
 2. Shared previous discussion regarding UPD's involvement and offering RAD classes or safety and self-defense courses or outreach events. Marjorie offered to give as extra credit to her class if the dates and times were planned in advance. Ideas of having smaller events during March to help promote the actual classes in April. Different schools of thoughts surrounding self-defense were also discussed. Using these events to educate and bring awareness to interpersonal violence in a variety of ways, as well as looking at how it is introduced to campus, was discussed. Will call Officer Williams to discuss these ideas and get his input/feedback. Discussed providing food (such as pizzas) at promotional events.
 3. Movie Showing was discussed as a fairly simple outreach, with good/healthy conversations in the past. Potential for showing a movie in March and April.
 4. Kognito: \$43,000 for all modules. Funding is a large concern, as well as knowing more about effectiveness and number of participants who took advantage of this training in the past (was it well used?). Could an in house program be developed? This had been grant funded in the past.
 5. Athletics: Kyle Callender- Mental health awareness week Feb 18-22nd for athletes. This date may get pushed back. Ideas regarding collaboration and/or getting information out, were discussed. Perhaps doing tabling at the study halls to reach more students. Herc will let them know about the "Sex is like Pizza" events they have scheduled.

- III. Website has been updated. Please send additional suggestions and needed updates to Lindsay Wilson for continued improvement of the website.
