Dead tree outside of UPD was removed. Looks good.

We have had an influx of students and parents. We hope things are looking up for enrollment. We discussed recruiting at local high schools and what is being done. Lakeland College gave out more than 100 scholarships to local students. It is hard to compete with this.

Unfinished Business:

Nominations were held for the Executive Team. Nominating ballots were handed out so nominations were anonymous. Additional time will be provided for those that did not attend the meeting. All nominations must be submitted before June 27th. A proposed ballot will be sent out on June 27th to ensure the timeline for elections is met.

New Business:

We will extend an invitation to Dr. Gattrell to attend our August Staff Senate meeting.

Discussed that new marketing firm will be giving a presentation on plans for new marketing campaign. This will be unveiled at the BOT Retreat at the end of June.

Admissions has backpacks with interest cards and other information that can be provided for summer camps. They will also be setting up a booth in dining halls on Wednesday. A free t-shirt will be given to the campers that sign an interest card.
