WEEKLY PROMPTS THAT HELP US THINK ABOUT RE-FRAMING
EVERYDAY THINGS AND SEEING THINGS IN NEW WAYS

PROMPT #1: MONTH OF JOY

INSPIRED BY THE CHARLESTON PARKS & REC DEPARTMENT'S
HEARTS IN WINDOWS CAMPAIGN

We are starting this series with the help of our friends over at the Charleston Parks & Recreation Department. They spearheaded the Hearts in Windows campaign in our community, and we need to keep it going! We depend on people still working: mail carriers, trash collectors, first responders, health professionals. Being greeted by these artworks throughout the community shows our support. This project is about small things that can show our connectedness and support from a distance!

WHAT YOU NEED:

- Paper
- Scissors
- Crayons, markers, or paint (for color)
- Tape (if using scotch tape, be careful when removing, as it likes to stick to windows!)
- A window or door

Each week, we ask that you display a new shape (see ideas below).

WEEK 1: Hearts

WEEK 2: Butterflies

WEEK 3: Grass & Flowers

WEEK 4: Suns & Rainbows

They can be small, large, one or many. We will start by putting a heart in the window of your office or home!

Before you put the art in your window, feel free to take a selfie with your art and send it to Megan Hennes on the Charleston Parks and Recreation Department Facebook Page or by email at recsup@co.coles.il.us.

If you post it to your social media, please remember to use these hashtags:
