

## THE DOUDNA FINE ARTS CENTER

The EIU Department of Theatre Arts is housed in the Doudna Fine Arts Center – remodeled in 2008, which houses a 285-seat proscenium space (The Theatre), a flexible 120-seat space (The Black Box), and a 40-seat experimental space (The Globe Studio). Fully equipped costume and scenery production areas are in close proximity to all performance spaces. The instructional rooms include a traditional classroom of 40 seats, a student rehearsal room, and a drafting/computer lab.

Each season, the department produces three to four faculty-directed productions representing a wide variety of styles and genres. Additionally, there are opportunities for a variety of student-directed productions, youth theatre tours, and class presentations open to the public.
