

# BACHELOR OF ARTS IN GENERAL STUDIES DEGREE PROGRAM

## YOUR MILITARY EXPERIENCE GETS YOU CLOSER TO A DEGREE.

Eastern Illinois University believes that your hard work, loyalty, dedication and sacrifice for your country matter and should count towards your undergraduate degree. Those years of hard work and training will be rewarded here at our University. The Bachelor of Arts in General Studies Degree Program is dedicated to helping all veterans and current military personnel meet their education goals.

Since 1973, the B.A. in General Studies at EIU has been serving adult learners, including military personnel, helping them meet their goal of earning a bachelor's degree. Technology has allowed us to offer this adult focused degree completion program completely online. That's why we offer online and on-site classes, with advising available in the Chicago area, Champaign, and Charleston.

We are military friendly and committed to assisting you and your family. EIU houses an on-campus Military Student Assistance Center to provide coordinated services and resources for all military service members. We want you to be successful while earning your undergraduate degree.

The Military Student Assistance Center provides a single coordination point for student veterans, military personnel, and family members. Together with your academic advisor, we enhance military enrollment, academic and social integration,
