- Student Ambassadors
- Student Advisory Board
- Moot Court
- Model Illinois Government

PLS Resources for Support

Use the resources we offer to support your college life.

- Faculty office hours: Anyone can visit faculty during our office hours, which are posted on our office doors and syllabi. You can also schedule appointments. These are great opportunities to discuss classes, projects, academic goals, and career plans.
- Student lounge (Coleman 2033): hang out, unwind, charge devices, study, chat with friends. Snacks are always available.
- Student meeting room (Coleman 2037): for group studying, testing, and quiet study space. You can use it if it's available or reserve it in the main PLS office.
- Tutoring (Coleman 2015 and GA office): several classes offer tutoring services—watch for announcements in class.
