WHAT OUR STUDENTS ARE SAYING:

LEVI TEACHES GERMAN AT
EDWARDSVILLE HIGH SCHOOL
IN EDWARDSVILLE, IL.

"I love being able to bring the German speaking world to my students. While at EIU I learned a lot in the classroom, but it is the things I learned outside of the classroom that I remember most. I remember watching German films in the evening in Coleman Hall with the other German major students. My favorite thing was the weekly Stammtisch meetings at a local coffee shop. German students and professors would get together just to speak German and have a cup of coffee. It was a great way to brush up on my German skills and I miss those conversations."
