

EASTERN ILLINOIS UNIVERSITY™

THIS IS OUR LIFE'S WORK.

TRANSFER TO EIU

WE BELIEVE

every one of our students can reach heights they never realized were possible given the right circumstances. In the right place, with the right people around them, they can learn and grow like never before, and open up greater possibilities than they imagined.

It's that simple, and that life-changing.

When we welcome a student, we're all in. We're committed to helping them achieve. To lift them up so they can see what they can become. We make an extraordinary, personal investment in each student that most schools would never consider. Faculty members here are incredibly invested in you as a person, well beyond imparting knowledge. Most are longtime members of our close community and can't imagine doing it any other way. While the size is personal, there are also plenty of opportunities to grow, from engaging in clubs and sports, to community service and networking with our dedicated alumni.

We invest in your future because we know the payoff is thrilling and lasting. It's no wonder people feel so strongly about EIU once they've been here. We call it "bleeding blue."

All you have to do is be ready to explore, engage and grow as our community invests in you. So you can step into a life you never knew was possible.

We think that's truly extraordinary.

TRANSFER ADMISSIONS

Our all in commitment doesn't just apply to our traditional freshmen. Transfer students thrive at EIU because we invest the same energy in their success, no matter where their college career began.
