Eastern Illinois University Transfer Admission and Advisement Guidelines 2018-2019

Admission Requirements

1. There is no minimum number of hours required to transfer.
2. A transfer student with 24 semester hours or more must have a “C” average (2.0 out of a 4.0) cumulative from all college credit and at least a “C” average from the last institution attended.
3. A transfer student with less than 24 semester hours with a 2.0/4.0 must meet the college requirement of a “C” average from the last institution attended and they must also meet one of the following criteria:

ACT 18 or SAT 960 *or old SAT 860** AND High School GPA of 2.5

* SAT Exams taken prior to March 2016

Transfer Agreements

1. A transfer student who is transferring to Eastern with any Baccalaureate-Oriented Associates degree from an Illinois public community college, Lincoln College, or Springfield College are guaranteed at least 60 semester hours in transfer credit, junior status, and all lower division general education requirements met.
2. Students may complete any general education requirements at EIU that were not completed as part of their associates degree.
3. Eastern is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum between participating institutions. Transfer students who complete the 37 to 41 semester-hour package of the IAI from any participating college or university in Illinois will be guaranteed all lower division EIU general education requirements completed, the cultural diversity requirement will be met unless seeking a teaching certificate, and the Constitution course will not be required unless seeking a teaching certificate. (For more information visit www.iTransfer.org)

Acceptance of Credit

1. Eastern accepts all college credit from regionally accredited institutions with the exception of courses that are remedial, developmental, or orientation in nature.
2. Eastern accepts CLEP and/or CEEB Advanced Placement credit provided official test scores are sent and meet Eastern’s standards as set by the appropriate department. All scores need to be sent from the testing agency to the EIU Records Office.
3. There is no maximum number of hours that can be accepted; however, the following graduation requirements must be completed:
 - a. 120 semester hours with all general education and major requirements completed;
 - b. 40 semester hours of upper division (junior/senior level) courses;
 - c. 42 semester hours taken in Eastern (may include off-campus courses taught by EIU faculty); and
 - d. 42 semester hours at a Senior Level (4-year) Institution.

Optional Catalog

An undergraduate transfer student may choose to graduate under the requirements stated in the EIU catalog at the time he/she initially enrolled at another college provided that catalog does not precede his/her enrollment at EIU by more than three years.

EIU General Education

LANGUAGE: (LG) 9 semester hours

The requirement is three courses: two in reading and writing and one in listening and speaking. These courses are graded “A”, “B”, “C”, “N/C” (no credit). These courses will only be accepted if they were completed with a “C” or higher.

MATHEMATICS: (MA) 3 semester hours

Please see the substitution list for appropriate general education math courses.

SCIENTIFIC AWARENESS: 7-8 semester hours

The requirement is at least one course in the biological sciences (BS) and one in the physical sciences (PS). At least one course must have a lab.

HUMANITIES & FINE ARTS: 9 semester hours

The student must successfully complete at least one course from humanities (HU), one from fine arts (FA), and one course from either humanities or fine arts.

SOCIAL & BEHAVIORAL SCIENCE: (SB) 9 semester hours

Two of the three courses must be from different disciplines. An American Government/Constitution course is required for students in Education.

SENIOR SEMINAR: 3 semester hours

To be completed after transfer to Eastern.

FOREIGN LANGUAGE: (FL) 0-8 semester hours

The requirement is the completion of the second course in the elementary sequence: 1102. Students are exempt if they have 2 years of high school with “C” average.

CULTURAL DIVERSITY: (D – Diverse) or (N or N/W – Non-Western) 3 semester hours

Students are required to complete a culturally diverse course within one of their general education groupings. These courses can fulfill both the culturally diverse requirement as well as a requirement for another general education area. A culturally diverse course is not needed if IAI or AA/ASA is completed prior to transfer unless the student is an education major.

WRITING COMPETENCY:

All students are required to participate in an Electronic Writing Portfolio made up of essays submitted in writing intensive courses.

- a. 3 essays are required of all students regardless of number of hours transferred.
- b. Essay can be from any course taken at EIU.
- c. Transfer Students are encouraged to submit at least one essay their first semester at EIU.

Associate Degree Benefits

Transfer students who receive a baccalaureate-oriented associates degree from any regionally accredited institution will be guaranteed the following:

- A minimum of 60 semester hours in transfer credit;
- Junior status;
- All lower division EIU general education requirements are automatically waived; and
- The cultural diversity requirement and the constitution requirements are automatically waived (unless pursuing teaching certificate).

*Students who transfer to Eastern without baccalaureate-oriented associates degree or the IAI GECC will have their transfer credit evaluated on a course by course basis. Courses will be placed into the comparable general education and major requirements listed in the EIU catalog the student chooses. Students may also finish the IAI GECC at EIU.

*Students will still, however, have to meet the foreign language requirement if they are not exempt with high school work. (Foreign language is a graduation requirement)

Majors and Options

Accounting (& Minor)
 Adult Education (Minor)
 Advertising (Minor)
 Africana Studies (Minor)

TEACHER EDUCATION TIPS

TIPS FOR TRANSFERS

SEE www.eiu.edu/coe/teachered.php FOR DETAILS

(It is recommended that these requirements be completed at least the semester prior to attending EIU)

1. Passing Scores from TAP, SAT or ACT Plus Writing must be complete prior to Student Teaching

Test of Academic Proficiency

- Test **should** be taken before enrollment at Eastern.
- **Cost is \$125** (subject to change)
- TAP areas: Reading, Language Arts, Writing and Math
- Prep resources available at <http://eiu.edu/basicskillstest>
- Registration/Study Guide at www.icts.nesinc.com/
- Take test as early as possible
- Tests are year round, Mon – Sat by appointment
- Scores reported within 4 weeks of test date
- Must provide official score report to EIU
- www.pearsonvue.com/icts for location information
- Retakes may be 60 days after previous attempt

ACT Plus Writing score of 22 – ISBE Code 3001

- Cost is \$56.50 (subject to change)
- Composite and Writing scores may be used from different tests
 - Can add highest subject score from different tests for total composite*
 - **Writing score of a 6 or higher (9/9/16 and after)**
 - Writing score of a 16 or higher (9/1/15 to 9/9/16)
 - Combined English/Writing score of 19 (prior to 9/1/15)
- Can take up to 12 times (offered 6 times per year)
- Test dates ACT - www.actstudent.org
- Test areas: English, Math, Reading, Science, Writing
- Take within **10 years** of application to teacher education

SAT Combined 1110 – ISBE Code 6773

- Cost is \$54.50 (subject to change)
- Composite and Writing scores may be used from different tests
 - Can add highest subject score from different tests for total composite*
 - **Writing/Language sub score of 26 (3/5/2016 and after)**
 - Combined 1030 with Writing Score of 450 (prior to 3/5/2016)
- Can take up to 12 times (offered 6 times per year)
- Test dates SAT - <https://collegereadiness.collegeboard.org>
- Test areas: English, Math, Reading, Science, Writing
- Take within **10 years** of application to teacher education

**Candidates must request super-scoring by emailing Licensure@isbe.net*

2. Formal Application to Teacher Education

- Transfer students may attend prior to enrollment at EIU or **no later** than the **first 30 days** of enrollment.
- Meeting offered each semester. Check website for dates and additional information:
<http://www.eiu.edu/ceps/teached.php>.

3. Complete at least 29 Semester Hours to be selected for Teacher Licensure Programs

- These hours can be represented by transfer credit.

4. Minimum Cumulative GPA of 2.65/4.0

- All students must establish and maintain 2.65 GPA at EIU for University approval to take teacher education courses
- Post-baccalaureate candidates must have undergrad GAP of 2.56 or have completed Master's with 3.00 GPA

ADDITIONAL REQUIREMENTS FOR APPROVAL TO TAKE TEACHER EDUCATION COURSES

5. "C" or Better in ENG 1001G, ENG 1002G, and CMN 1310G

- Transfer substitutions can be used.
- If a "D" was earned in English or Speech, course must be repeated.

6. "C" or Better in College Level Math

- IAI General Education Mathematics or college level math that is not remedial/developmental will satisfy this requirement.

7. “C” or Better in One of the Following Introduction to Education Courses

- ELE 2050 for Elementary Education
- SPE 3201 or SPE 3220 for Special Education
- SED 2000 for Secondary Education
- KSS 2000 for Kinesiology and Sports Studies
- ART 2400 for Art Education
- MUS 2440 for Music Education
- CTE 2000 for Career and Technical Education (SED 2000 combined with CTE 2001 can be substituted)

8. Submit Letter of Intent to Office of the Dean, College of Education & Professional Studies (*submitted through LiveText*)

9. Complete other requirements

- Have Speech & Hearing Tested at EIU Clinic. Call 217-581-2712 for an appointment (\$5.00 fee – subject to change).
- Complete the first required Criminal Background Investigation (\$30 fee – subject to change).

Note: Grade of “C” or better is necessary for all coursework required for a teaching certificate degree program. This requirement included general education and professional courses.

Teacher Assessment Support Center (TASC)

The center is located in Buzzard Hall 2303 and will be available to service the teacher certification testing needs of students. Teacher certification testing resources available include practice exams and other study materials, individualized study and study plan creation assistance, and TAP/ACT/SAT registration guidance.

Resources Include:

- Practice exams and other study materials
- Individualized study mentors
- Study plan assistance
- TAP/ACT/SAT registration guidance

Tutoring

- The TASC offers an individualized tutoring approach to building necessary test taking skills for achieving the scores needed for the ACT/SAT and TAP tests.
- Tutors at the TASC follow a 3-phase approach. The 3-phase approach works from a process of skill building, aiming at building confidence, to an application process aimed at using established skills and confidence on simulated tests aimed at mimicking the actual test performance.

Additional Help in:

- Math
- Reading & Language Arts
- Test Taking

Walk-ins are welcome for an initial consultation. Following sessions be appointment based.

Group tutoring, workshops, and others services: Check the website for more information:
<http://eiu.edu/basicskillstest/workshops/php>

Center Hours posted each semester at: www.eiu.edu/basicskillstest/centerhours.php

Contact the Center: Email: TASC@eiu.edu or call 217-581-2116

Special Requirements for Majors

*Students may declare any major after initial admission to EIU.
However, students may need to meet departmental criteria to advance in their area of study.
The majors below have requirements that are in addition to EIU general admission.*

- ❖ **Art:** a minimum cumulative GPA of 2.25 and a minimum major GPA of 2.75. For graduation, all Art majors require the completion of the foundation courses (ART 1000, 1001, 1110, 1111, 250, 2601G, 2602G, 2749)
- ❖ **Athletic Training** restricts the number of students who may participate by requiring them to meet specific selection criteria:
 - (1) Must be enrolled as a Kinesiology & Sports Studies Major;
 - (2) Minimum Professional GPA of a 3.0 on a 4.0 scale;
 - (3) Minimum Cumulative GPA of a 2.75 on a 4.0 scale;
 - (4) Completion of KSS 2130 and KSS 2135 with an A or B;
 - (5) Successful completion of a performance assessment of two basic injury evaluations;
 - (6) Completion of 100-150 hrs clinical observation under Licensed EIU certified Athletic Trainer;
 - (7) Completion of the Basic Athletic Training Skill Requirements;
 - (8) Completion of the ATEP application;
 - (9) Submission of official transcripts of all college course work completed to date.

*In the event that there are too many applicants a point system will be utilized to ensure that all applicants receive a fair opportunity to be accepted into the ATEP.
- ❖ **Business:** All programs in the **School of Business** [Accounting, Business Administration (only online or at Parkland College), Finance, Management, Management Information Systems, and Marketing] Business majors must have a minimum grade of “C” or better in prerequisite courses to take certain upper level Business courses.
- ❖ **Clinical Laboratory Sciences:** This cooperative degree program includes three years of college work followed by completion of a one-year program in clinical laboratory science at an affiliated hospital. The clinical hours taken at the affiliated hospital will be treated as courses taken at EIU counting in residency hours and will be included in EIU grade point average. EIU cannot guarantee admission to any of its affiliated hospitals, but to be assured of serious consideration for acceptance by one of the affiliated schools, the student should have achieved a minimum cumulative and major grade point average of 3.0 (on a 4.0 scale). EIU has an excellent record of placement of qualified students into the hospital programs.
- ❖ **Communication Disorders and Sciences** requires students to meet criteria for degree admission that include a 2.5 cumulative GPA and a minimum major GPA of 2.75. Those GPAs must be maintained to register for subsequent upper-division CDS courses. In the CDS major, students earn their professional credentials at the graduate level.
- ❖ **Communication Studies** minimum grade of “C” in core courses.
- ❖ **Economics** requires a 2.25 GPA in Economics course work with at least six semester hours of Economics earned for admission to the program.
- ❖ **Engineering** requires three years of study at EIU followed by two more years at UIUC or SIU-C.
- ❖ **English** minimum grade of “C” in core courses
- ❖ **Family and Consumer Sciences** requires students to complete 15 hours of college-level work with a minimum cumulative GPA of 2.0 to be admitted and minimum grade of “C” in core courses.
- ❖ **General Studies** major is designed to meet the educational goals of mature adults in a format and structure compatible with adult responsibilities. Students must meet regular admission requirements to the University and are admitted to this program only through the School of Continuing Education.

- ❖ **Graphic Design** Admission to the program is limited to those students who have satisfied the specific course requirements (ART 1000, 1001, 1110, 1111, 2050, 2500, 2560, 2601G, 2602G, 2910, 2920, ENG 1001G and 1002G), have a minimum cumulative GPA of 2.25 for all coursework, and a minimum GPA of 2.75 for all Art coursework, and submit an art and design portfolio.
- ❖ **Health Administration** requires 15 semester hours of credit to be completed with a minimum 2.0 GPA. Minimum major GPA required for graduation is 2.5. All core required courses need to be completed with a grade of “C” or better.
- ❖ **Health Communication** requires 15 semester hours of credit to be completed with a minimum 2.0 GPA. Minimum major GPA required for graduation is 2.5.
- ❖ **Health Promotion** requires 15 semester hours of credit to be completed with a minimum 2.0 GPA. Minimum major GPA required for graduation is 2.5. All core required courses need to be completed with a grade of “C” or better.
- ❖ **History Education** requires a minimum 2.75 cumulative GPA
- ❖ **Journalism** minimum grade of “C” in core courses
- ❖ **Kinesiology & Sports Studies: Exercise Science** - Completion of BIO 2210 (or equivalent) with a grade of C or better; Completion of KSS 1500 and KSS 2440 (or equivalent) with a grade of C or better.
Sports Management - Completion of KSS 1500 and KSS 2440 (or equivalent) with a grade of C or better
- ❖ **Language Arts Teacher Certification** requires a minimum grade of “C” in core courses; and a minimum 2.75 cumulative GPA
- ❖ **Music** majors must audition; minimum grade of “C” in core courses
- ❖ **Non-Business Majors** A student pursuing a major other than one resulting in the B.S. in Business cannot count more than 30 semester hours of business subjects toward fulfillment of bachelor’s degree requirements.
- ❖ **Pre-Nursing** students planning to attend a nursing program to prepare for registered nurse licensure can take pre-nursing courses at EIU prior to transfer to another college or university.
- ❖ **Psychology** major admission requires students to complete MAT 1271 (or a higher level math course) with a “C” or better or earn ACT mathematics sub-score of 26 or higher, in addition to earning at least a “C” in PSY 1879G or its equivalent; minimum grade of “C” in core courses
- ❖ **RN to BS in Nursing Program** Admission requires admission to EIU, RN license, minimum GPA of 2.5, CPR certification, two professional letters of reference, two-step TB testing, Immunizations, professional statement and completed application to the program.
- ❖ **Social Science Teaching** requires a 3.0 major GPA and a 2.75 cumulative GPA.
- ❖ **Sociology** requires a 2.0 average GPA in the core courses.
- ❖ **Teacher education** majors and options require a *minimum* cumulative GPA of 2.65 and a “C” or better in all courses used towards graduation, regardless of where they are taken. This includes general education, professional education, major and courses, all University required courses and electives. Teacher licensure for English, History and Social Science Teaching requires a minimum cumulative GPA of a 2.75.
- ❖ **Theatre Arts** minimum grade of “C” in core courses

Transfer Guides

The following guides are course suggestion patterns. These are courses that can be possibly taken at the community college level to benefit students in their bachelor's degree program at Eastern Illinois University. Other tools that can assist in the advisement process are the EIU Undergraduate Catalog and the Course Substitution Lists for EIU and your Community College (both are available on the website). There are transfer guides for all the majors listed in alphabetical order.

If you have any questions about the guides or the handbook please contact:

Accounting (B.S. in Business)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

First Year

First Semester

ENG 1001G¹ Comp/Language
MAT 1271 or 1400 College Algebra/Pre Calc
CMN 1310G¹ Speech Comm
BUS 1950² Computer Concepts
IAI Gen Ed Humanities*

Second Semester

ENG 1002G¹ Comp/Literature
MAT 2120G Finite Math
IAI Gen Ed Fine Arts*
IAI Gen Ed Humanities*
IAI Gen Ed Biological Science*

Second Year

First Semester

BUS 2101² Financial Accounting
BUS 2810² Business Stats
ECN 2801G Macroeconomics
MAT 2110G¹ Brief Calc
or PHI 1900G^{1&3} Logic
IAI Gen Ed Physical Science*

Second Semester

BUS 2102² Managerial Accounting
BUS 2750² Legal and Social Environment
ECN 2802G Microeconomics
IAI Gen Ed Social/Beh. Science*
IAI Gen Ed Fine Arts or Humanities*

(*) See the EIU General Education outlined on the online catalog at eiu.edu, visit www.itransfer.org, or refer to Course Substitution Lists for course possibilities.

¹ Must have a "C" or better

² Must be completed with a "C" or better for prerequisites of upper division course in the School of Business

³ Fulfills IAI General Education Humanities requirements

NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a "C" average or better.

Applied Engineering Technology (B.S.)

Information Technologies, Construction, Manufacturing, Digital Media, Alternative Energy and Sustainability Focus Areas of Study

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

FCS 2100 Nutrition or FCS 1800 Life Span Hum
Foreign Language or Conc. Elective
Elective⁴

(*) See the EIU General Education outlined on the online catalog at eiu.edu, visit www.itransfer.org, or refer to Course Substitution Lists for course possibilities.

¹ Must have a "C" or better in English Composition I and II, and Public Speaking.

² If concentrating in Hospitality, take BIO 1004G Microbiology.

³ If concentrating in Apparel and Textile Design, take CHM 1310G & 1315G General Chemistry I.

⁴ Electives should be chosen in consultation with advisor

NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a "C" average or better.

Athletic Training (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

¹ Must have a "C" or better.

² Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete in high school with a "C" average or better.

NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

The Athletic Training program at Eastern Illinois University is a seven (7) semester program regardless of when a student arrives on campus (i.e. traditional freshman or transfer). The program has a very specific course sequence that must be followed for accreditation purposes and because of this the pre-clinical portion of the program is only offered every fall semester.

The AT program has a secondary selection process that begins every fall semester and includes the following criteria: an "A" or "B" in KSS 2130 & KSS 2135 (must be taken at EIU), completion of observation hours and pre-clinical skills assessments; a 2.75 cumulative GPA; a 3.0 professional GPA; and participation in an interview for the program. Acceptance is limited and not guaranteed.

¹ Must have a "C" or better in English Composition I and II, and Public Speaking.

² These courses are required for the Communication Disorders and Sciences major. If these courses are not offered, it recommended to take minor courses (Psychology or Sociology minors are recommended)

NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a "C" average or better.
- E. Due to limited CDS courses at the community colleges, it is recommended to transfer early in coursework
- F. See Major Admission Requirements on the next page.

Admission to the CDS Major:

Students entering EIU as Freshman or Transfer seeking a CDS degree will be classified as probational CDS majors. Probational majors may register for all lower division (2999 or lower) courses in the CDS major.

Access to all upper division CDS courses requires admission to the CDS Major. The Department Chair reviews the applications of all probational CDS majors seeking admission to the major. The chair determines if the student's academic achievement supports admission to the major and access to upper division course.

Criteria for Admission:

- **Admission to the University**
- **Classification as a probational CDS major**
- **Achievement of a cumulative GPA of 2.5 or higher for all EIU course work**
- **For Transfer Students, completion of at least 15 semester hours of course work at EIU**
- **Completion of at least three of the five lower division core CDS courses in the major and achievement of a minimum 2.75 GPA for all lower division core CDS courses completed at the time of application.***
- **Lower division courses are:**

CDS 2000 Intro to CDS.....	1 s.h.
CDS 2100 Phonetics & Phonological Development.....	3 s.h.
CDS 2200 Language Acquisition.....	3 s.h.
CDS 2500 Anatomy & Physiology.....	3 s.h.
CDS 2800 Speech Science.....	3 s.h.

*Application for admission to the CDS major are available in the CDS Department Office.

(A Master's Degree is the required level of training for Certification in the area of Speech-Language Pathology. At least a 3.0 GPA is the required undergraduate GPA for admission into the Graduate Program. A Clinical Doctorate Degree is the required level of training for Certification in the area of Audiology.)

¹ Must have a grade of a “C” or better.

² Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a “C” average or better.

³ All Communication Majors, regardless of Option Area, are required to complete four Department Core Courses: CMN 2010 (Communication Theory), 3000 (Communication Research), 3100 (Persuasion) and 2040 (Critical Thinking and Argumentation).

⁴ Students in the Interpersonal Communication Option may select any CMN prefix course as an elective. See advisor for more information.

NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

Communication Studies (B.A.) Corporate Communication Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

¹ Must have a "C" or better in all courses.

² Required for admission into the Education Program.

NOTES:

This major requires that all students (including transfer students from community colleges or senior institutions) follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as explained at the University Admission to Teacher Education Meeting which all students must attend. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education website at www.eiu.edu/ceps/teached.

All students must pass the Illinois Licensure Test of Academic Proficiency or document a composite score of 22 or higher, with combined Writing score of 6, on the ACT plus Writing; or combined SAT of 1110 with Writing/Language sub score of 26 for selection into teacher education and should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.

While all of Eastern Illinois University's teacher education programs are approved by the Illinois State Board of Education, only the State can issue a teaching license. All licensure programs are subject to change to follow requirements of the Illinois State Board of Education and the Department of Teaching, Learning and Foundations.

Engineering (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

This cooperative degree program, administered by the Pre-Engineering Studies Committee, requires about three years of work at EIU followed by two years of work at either the University of Illinois at Urbana-Champaign (UIUC) or Southern Illinois University at Carbondale (SIUC). It is designed to provide engineering students with a broader base of liberal arts that is usually given in a four-year curriculum. Upon completion of the program, the student receives a Bachelor of Science degree from EIU and a Bachelor of Science in Engineering degree from UIUC or SIUC. Interested students should consult with the Chairperson of the Pre-Engineering Studies Committee for detailed requirements of the program.

Course requirements:

Chemistry 1310G/1315G, 1410/1415.....	8 hrs.
Mathematics 1441G, 2442, 2443, 3501.....	19-20 hrs.
Computer Science 2170.....	3 hrs.
Physics 1000 ¹ , 1351G/1352G, 1361/1362, 1371/1372.....	12 hrs.
² Applied Engineering Tech 2043, Physics 2390, 2400, 3270.....	4-13 hrs.
English 1001G, 1002G.....	6 hrs.
Speech Communication 1310G.....	3 hrs.
General Education Electives ³	20-27 hrs.
TOTAL.....	73-89 hrs.

*Students completing cooperative degree programs, i.e., Engineering will not be required to take a senior seminar or to submit the fourth sample to the Electronic Writing Portfolio because the terminal year is taken off-campus in cooperative programs.

¹ This course should be repeated each semester that a student attends Eastern. In the case of course conflicts with this course, a waiver should be obtained from the Chair of the Pre-Engineering Studies Committee.

² Students are encouraged to take all of these courses, but one or more may not be required in certain engineering fields. SIUC electrical engineering majors take PHY 3410 instead on AET 1043.

³ These courses should be selected to ensure that EIU General Education Requirements and UIUC or SIUC requirements are both fulfilled.

After completing 60 semester hours in this curriculum, a student may apply to the Pre-Engineering Studies Committee for admission as an engineering candidate. The requirements are a minimum grade point average of 2.50 for UIUC or a 2.00 for SIUC and approval by the committee. Continuation as an engineering candidate includes being admitted and completing the academic requirements of the College of Engineering at UIUC or SIUC.

A student who transfers into this curriculum from another college or university must be in residence at EIU for two semesters or 36 semester hours before he/she becomes eligible for admission as an engineering candidate.

Engineering Technology (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

E. See the Education Tips on Pages 14-15 of the Handbook.

General Studies (B.A.)

The Bachelor of Arts in General Studies Degree Completion Program (BGS) is specifically designed to meet the educational goals of mature adults in a format and structure compatible with adult responsibilities.

It is recommended that applicants have a minimum of 30 semester hours of transfer credit. We will accept up to 100 hours of transfer credit, including as many as 78 from a community college.

As an adult-student friendly degree program, the BGS program provides learners with the opportunity to have their life experiences evaluated for college-level learning. Assessment of prior learning is valuable to the adult learner as it validates knowledge gained outside the traditional classroom. It can save students time and money by decreasing the number of required courses needed for degree completion. Prior learning may be awarded for military experience, passing proficiency exams or through a prior learning portfolio. Your academic advisor will work with you to determine your options.

To graduate with a Bachelor of Arts in General Studies degree, a student must complete 120 semester hours of credit which include:

- 40 semester hours at the junior/senior level.
- 20 semester hours earned from Eastern Illinois University (via on-campus, off-campus or distance learning courses).
- 12 semester hours of credit in Scientific Awareness/Mathematics
- 12 semester hours of credit in Social/Behavioral Science
- 12 semester hours of credit in Humanities/Fine Arts
- 6 semester hours of Communication/Language
- 3 semester hours of Senior Seminar
- 1 course in Cultural Diversity.
- BGS 2985 - Adults in Transition (Required first semester)
- BGS 3002 - Critical Thinking and the Adult Learner
- BGS 4001 - Self-Directed Leadership
- Meet Writing Competency Requirement (Electronic Writing Portfolio)
- Maintain a minimum 2.0 cumulative grade point average (4.0 scale)

Note:

1. A student must meet the University's transfer admission requirements.
2. Beginning Fall 2014 and thereafter, all students transferring into the BGS program from another EIU academic program must meet the BGS degree requirements for the catalog year they are admitted into the program.
3. After the student is admitted to the program, only grades of "C" and above will be counted toward meeting graduation requirements. Grades of "D" and "F" earned after admission to the program will be included in the cumulative EIU grade point average, consistent with current EIU grade policy.
4. After admission to the program, students may use no more than five (5) one-credit-hour courses towards their degree.

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a "C" average or better.

Foreign Language or Elective

(*) See the EIU General Education outlined on the online catalog at eiu.edu, visit www.itransfer.org, or refer to Course Substitution Lists for course possibilities.

¹ Must earn a “C” or better in English Composition I and II and Public Speaking.

² Must earn a “C” or better in all required CMN and HST courses

NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate’s degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a “C” average or better.
- E. Students may earn up to 12 s.h. of course credit through Prior Learning Assessment.

Health Promotion (B.S.) Community Health Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Middle Level Education (B.S. in Education) Grades 5-8

The Middle Level Education curriculum prepares candidates to teach adolescents transitioning from childhood to adulthood, placing primary focus on grades five through eight. Teacher candidates will be endorsed in middle grades literacy/language arts and a subject area(s) of their choice (middle grades mathematics, middle grades social science, or middle grades general science).

Suggested courses for MLE endorsed in middle grades literacy/language arts and social science:

This major requires that all students (including transfer students from community colleges or senior institutions) follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as explained at the University Admission to Teacher Education Meeting which all students must attend. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education website at www.eiu.edu/ceps/teached.

All students must pass the Illinois Licensure Test of Academic Proficiency or document a composite score of 22 or higher, with combined Writing score of 6, on the ACT plus Writing; or combined SAT of 1110 with Writing/Language sub score of 26 for selection into teacher education and should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.

While all of Eastern Illinois University's teacher education programs are approved by the Illinois State Board of Education, only the State can issue a teaching license. All licensure programs are subject to change to follow requirements of the Illinois State Board of Education and the Department of Teaching, Learning and Foundations.

IAI General Education Social Behavioral Sci.
Foreign Language or Elective³

¹ All transfer students are given placement examination in music theory, aural skills, music history, and piano before transfer credit is awarded.

² See the EIU General Education outlined on the online catalog at eiu.edu, visit www.itransfer.org, or refer to Course Substitution Lists for course possibilities. Must have a “C” or better in English Composition I and II and Public Speaking.

³ See the EIU General Education outlined on the online catalog at eiu.edu, visit www.itransfer.org, or refer to Course Substitution Lists for course possibilities.

NOTES:

A. One course from either Humanities/Fine Arts or Social and Behavioral Sciences must be culturally diverse if transferring with an Associate's Degree. Education majors are required to have one course that is culturally diverse.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science Courses must have a lab.

D. Additional music courses could include Class Piano.

E. Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a “C” average or better.

Music (B.A.)

Music Theory and Composition Concentration

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during fall and spring semesters.*

Nursing (R.N. to B.S.)

Nursing Program Admission Requirements

- Unconditional Admission to EIU
- Cumulative GPA of 2.5 on a 4 point scale
- Complete application to the nursing program including documentation of:
 - Current RN license from state of residence
 - Two professional letters of reference
 - CPR certification as a Healthcare Provider or Professional Rescuer
 - Two-step TB testing with annual updates
 - Immunizations (Hepatitis B series or waiver, DT within 10 years, and MMR (2 after first birthday if born after January 1, 1957)
 - Health history and physical
 - \$30.00 processing fee
 - Professional statement (Form on website)
 - Professional Liability Insurance
 - Certified Background Check
- Complete Required Courses for Admission
 - BIO 2210 Anat & Phys I
 - BIO 2220 Anat & Phys II
 - ENG 1001G Comp I
 - ENG 1002G Comp II
 - FCS 1800 Life Span Development
 - PSY 1879G Intro Psychology
 - SOC 1838G Intro Sociology
 - Chemistry or Physics Gen Ed

Application Deadlines:

Applications for the RN to BS in Nursing Program are available in the Nursing Office, Room 2230 McAfee Building or on the nursing program website. Applications and documentation of all admission requirements must be submitted to the Nursing Office on or before **July 1st for admission to fall** nursing courses and **November 15th for admission to spring** nursing courses.

Associate Degree or Diploma in Nursing (32 hours from previous nursing program will be applied toward BS in Nursing).

Progression Requirements:

1. Students enrolled in the RN to BS in Nursing Program must earn a 'C' or better in all major requirement courses to progress in the program.
2. Students must achieve a satisfactory for the clinical component of each nursing course.
3. Students must maintain a cumulative grade point average of at least 2.00 throughout their enrollment in the RN to BS in Nursing Program+.
4. A nursing course in which a student failed to earn a grade of 'C' or better may be repeated by the student only one time. Failure to receive a grade of 'C' or better for a second time of any nursing course will result in dismissal from the program.
5. Failure to earn a 'C' or better in any two nursing courses within the RN to BS in Nursing curriculum will result in dismissal from the program.

Graduation Requirements:

1. Successfully complete all general education requirements.
2. Successful completion of all nursing courses with 2.0 in each course.
 - Additional Major courses include BIO 1004G, Microbiology and MAT 2250G Statistics
3. Complete minimum of 40 hrs in upper division courses (3000-4000 level courses)
4. There are 38 hrs of upper division in nursing curriculum.
5. Earn a minimum of 25 hrs in residence
6. Successfully complete 120 hrs with CGPA of 2.0 in all courses attempted.
7. Successful completion of electronic writing portfolio.
8. Transfer students must earn 42hrs in senior (4 year) institutions with at least 25hrs at EIU.
9. RN to BS in Nursing students are exempt from the EIU Foreign Language Requirement.

Organizational Development (B.S.)

This program prepares students for positions as supervisors, project leaders, change agents, and trainers in a variety of organizational settings. Academic credit for college-level learning from prior occupational experiences is available through preparation and assessment of a portfolio. Of the 120 semester hours required to complete the degree, at least 25 semester hours of courses from EIU must be included.

General Requirements include:

- 9 semester hours of Humanities and Fine Arts
- 9 semester hours of Language
- 3 semester hours of Mathematics
- 7 semester hours of Scientific Awareness
- 3 semester hours of Senior Seminar
- 9 semester hours of Social and Behavioral Science

Major Requirements:

- OPD 4500 (3hrs) Organizational Interactions
- OPD 4810 (3hrs) Principles of Career Development
- OPD 4825 (3hrs) Ethical Behavior in Organizations
- OPD 4830 (3hrs) Organizational Perspectives
- OPD 4835 (3hrs) Supervision in Organizations
- OPD 4840 (3hrs) Training Program Development
- Optional Experiential Learning/Portfolio 1-30 semester hours
(OPD 3000, Portfolio Development required in preparation)

Graduation Requirements

- 120 semester hours total for graduation
- 42 semester hours from senior institution
- 40 semester hours upper level
- 25 semester hours from EIU
- Electronic Writing Portfolio
- 2.0 Cumulative GPA

NOTES:

- A. Credit may be granted via OPD 3200, OPD 3300 or other course numbers within the particular academic department via preparation and submission of a portfolio which explicitly describes college-level learning based on prior occupational experiences.**
- B. Must contain at least 25 semester hours of courses from EIU (excluding portfolio or military credit).**

Philosophy (B.A.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Students choosing this course pattern also have the option to have a concentration in Integrated Studies. Ask advisor for more details.

IAI GEN ED Humanities/Fine Art(*)
IAI GEN ED Social Science(*)
PLS 3603 State and Local Government
PLS elective
Elective

(*) See the EIU General Education outlined on the online catalog at eiu.edu, visit www.itransfer.org, or refer to Course Substitution Lists for course possibilities.

¹ Must have a “C” or better in English Composition I and II and Public Speaking.

² Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a “C” average or better.

NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate’s degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

Political Science (B.A.) International Studies Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

¹ Must have a "C" or better in English Composition I and II and Public Speaking.

² Completion of the second semester of a single foreign language is a graduation requirement. Students are exempt if two full years of a single foreign language is complete with a "C" average or better.

NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

Pre-Chiropractic

This is just a suggested course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.

EIU offers coursework in preparation for application to Chiropractic school. Upon completion of these undergraduate prerequisites, students may apply to the chiropractic school of their choice. The admissions requirements of the colleges vary, so it is important to determine the specific requirements of the school of your choice. In general, students should plan to complete a bachelor's degree. Like other post baccalaureate health programs, admission is competitive. A strong GPA (minimum 3.00/4.00 scale in both the sciences and cumulative), along with experience are necessary requirements to gain admission.

Eastern Illinois University has entered into affiliation agreements with Logan College of Chiropractic (LCC) and Palmer College of Chiropractic. This admissions program will allow qualified students to attend Logan or Palmer after 3 years (94 credits) at Eastern and finish a doctor of Chiropractic degree after three more years at the chiropractic programs. Under these agreements, Logan or Palmer College of Chiropractic shall accept students who successfully complete the Pre-Chiropractic Program with a cumulative GPA of 3.25 or higher and meet all other criteria for admission. Upon completion of the first year of studies at Logan or Palmer, a maximum of 34 credits from either program may be transferred back to EIU toward completion of credits required for the Bachelor of Science in Biological Sciences degree at Eastern.

Students may major in any field, but MUST meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....9 s.h.
 Biological Sciences: BIO 1150, 1500, 1550, 3120, 352 or 221/2220, 2220, 3180, 3200.....29-33 s.h.
 Chemistry: CHM 1310G, 1315G, 1410G, 1415G, 2440, 2445, 2840, 2845, 3300.....19 s.h.
 Physics: PHY 1151G, 1152G, 1161, 1162.....8 s.h.
 Mathematics: MAT 1441G or 2110G, 2250G or BIO 4750.....6-9 s.h.
 Psychology: PSY 1897G

Pre-Dentistry Program

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Dentistry is a four-year graduate program. Admission into a dental program is very competitive. Students should maintain a grade point average near 3.50/4.00, acquire leadership skills and exposure to the world of dentistry, and score an 18 or higher on the Dental Admission Test (DAT). Three letters of recommendation are required, typically 2 from the sciences and 1 letter of the student are choosing. Typically the DAT is taken during the Spring Semester of the junior year, and application through a centralized application service Associated American Dental Schools Application Services (AADSAS) is submitted in June between the junior and senior years.

Dental admissions are quite competitive and the vast majority of successful applicants have obtained their baccalaureate degree. Below are the **minimum** requirements to be considered for dental school admission. Dental schools are seeking individuals who are well rounded in their educational background. In selecting a major, identify one that will prepare you best for dental practice or a backup plan. English, biology, chemistry, psychology or psychology with a business minor are a few majors to consider. Because of the manipulative nature of the profession, courses in art and sculpting are also useful.

Students may major in any field, but **MUST** meet the following minimum course requirements:

English: ENG 1001G, 1002G.....6 s.h.
 Chemistry: CHM 1310G, 1315G, 1410G, 1415G, 2440, 2445, 2840, 2845.....16 s.h.
 Physics: PHY 1151G, 1152G, 1161G, 1162G.....8 s.h.
 Biological Sciences: BIO 1500, 3120.....8 s.h.
 Psychology: PSY 1879G.....3 s.h.
 Recommended Electives: BIO 2210, 2220, 3200, 3300, 3624 and CHM 3450.....23 s.h.

Pre-Engineering Program

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Pre-Engineering at Eastern Illinois University is a program designed to provide the first two years of a four-year Engineering degree. The first two years of most Engineering programs have the same curricula (basic science and math) so transferring from EIU to a 4 year Engineering program is generally a smooth transition.

EIU offers lower cost and a different atmosphere than the 4 year Engineering programs. The smaller class size, faculty teaching lecture and labs, research opportunities, and integrative learning environment set EIU apart from larger schools. The collegial atmosphere leads to a more inviting and collaborative learning environment. Students who might get lost in large lecture halls can quickly become a part of the community at EIU. With a high success rate after transfer to other institutions, our students find that this preparation is completely equivalent to spending all four years at a 4 year Engineering program.

EIU also offers a 3-2 degree in conjunction with either the University of Illinois at Urbana-Champaign (UIUC) or with Southern Illinois University at Carbondale (SIUC), in which a student takes a third year of liberal arts enrichment at EIU and graduates with a double bachelor's degree- one from EIU and one from either UIUC or SIUC. In this program there are actually two tracks, one where they receive an Engineering Physics degree from EIU and another where they receive a Physics Major from EIU, each of these is in addition to their Engineering Degree from the other institutions.

This two-year program is administered by the Pre-Engineering Studies Committee. Students planning to enroll in pre-engineering are advised to include the following in their high school programs: mathematics—four or more units, including Trigonometry; and Science—three or more units, including chemistry and physics. Students with deficient high school background should expect their graduation with an engineering degree to be delayed.

There are two pre-engineering options: general (appropriate for all except chemical engineering) and chemical. Students interested in the chemical engineering option should consult with the chairperson of the Pre-Engineering Studies Committee. The minimum general pre-engineering requirements are as follows:

Chemistry: CHM 1310G, 1410G, 1415G.....	8 s.h.
English: ENG 1001G, 1002G.....	6 s.h.
Mathematics: MAT 1441G, 2442, 2443, 3501.....	19-20s.h.
Physics: PHY 1000 ¹ , 1351G, 1352G, 1361, 1362, 1371, 1372, 2390, 2400, 3270.....	22 s.h.
Humanities and Social Studies approved by the Pre-Engineering Chairperson.....	6s.h.

¹ This course should be repeated each semester that a student attends Eastern. In the case of course conflicts with this course, a waiver should be obtained from the Chair of the Pre-Engineering Studies Committee.

Pre-Law Program and Minor

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

To provide students with guidance in the selection of those courses which will enable them to complete a J.D. at an American Bar Association accredited law school, EIU offers a minor in Pre-Law Studies. This minor will provide students with the following: basic analytical skills, an introduction to the language of the law, and the written communication skills necessary for the study of law. This minor is administered by the Pre-Law Advisor and the Pre-Legal Studies Committee.

All students interested in a career in law should consult with the Pre-Law Advisor (217) 581-2523 (Coleman Hall 2135) for information regarding law school admission requirements.

Students at Eastern are provided with a variety of on-campus services by the Pre-Law Advisor and the Pre-Legal Studies Committee, including information about all the ABA-approved law schools, guest presentations by law school admissions officers and by person who practice law, several scholarships for students who are admitted to law school, field trips to area law schools, Pre-Law Internships, a Pre-Law Club, the Law School Admission Test (administered on campus), a mock Law School Admission Test, LSAT Preparatory Course and advice from the Pre-Law Advisor concerning law school admissions strategies.

Required Courses (9 hrs)

ENG 3001	Advanced Composition
HIS 3600G	US Constitution and the Nation
*PHI 1900G	Logical and Critical Reasoning

One 2000 or 3000-Level Case-Oriented Course (3 hrs)

PHI 2503	Legal Research and Argument
PHI 3070	Philosophy Law
*PLS 3523	Criminal Law
PLS 3543	Civil Liberties in America

One 4000-Level Case-Oriented Course (3 hrs)

HIS 4910	Foundation American Constitution & Political System
JOU 4771	Communication Law
PLS 4774	American Constitutional Law
PLS 4853	Contemporary Constitutional Development

Choose Two Electives (3 hrs)

*BUS 2101	Financial Accounting
*BUS 2750	Legal and Social Environment of Business
*CMN 3100	Persuasion
*ECN 2802G	Principles of Microeconomics
ECN 4850	Economic Analysis of Law
ENG 4760	Studies in Professional Writing
ENG 4775	Studies in Literature, Culture, Theory
HIS 3100	History of England 1066-1688
PHI 3050G	Social and Political Philosophy
PHI 3720	Theory of Knowledge
PLS 3513	Politics and the legal Process
PLS 4903	Classic Political Theory
PLS 4913	Contemporary Political Theory
*SOC 2750G	Social Problems in Contemporary Society

*Common courses community colleges offer

Pre-Medicine

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Admission into medical school is very competitive. Students should maintain a grade point average near or above 3.50/4.00, acquire leadership skills, exposure to healthcare, and score at least a 27 or higher on the Medical College Admission Test (MCAT). Preparation materials from the Association of American Medical Colleges (AAMC) can be found at <https://www.aamc.org/students/applying/mcat/preparing/>. Typically the MCAT is taken during the Spring Semester of the junior year, and an application through a centralized application service American Medical College Application Service (AMCAS) is submitted in June between the junior and senior years. Apply Early! At least three letters of recommendation are required, typically 2 from the sciences and 1 letter of the student's choosing.

Below are the requirements to be considered for medical school admission. As long as the requirements are met, **identifying an undergraduate major is based completely on the student's interests and goals**. Medical schools do not favor any particular major. Most importantly medical schools are seeking individuals who are well rounded in their educational background. Development of a strong vocabulary and communication skills are as important as any particular class.

Additional information from the national associations of allopathic and osteopathic medicine can be found at <http://www.aamc.org> or <http://www.aacom.org>.

Students may major in any field, but MUST meet the following minimum course requirements:

English: ENG 1001G, 1002G.....6s.h.
 Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....19s.h.
 Biological Sciences: BIO 1500, 3120.....8s.h.
 Physics: PHY 1151G, 1152G, 1161, 1162).....8s.h.
 Social/Behavioral Sciences: PSY 1879G3s.h.
 Sociology: SOC 1838G.....3s.h.
 Math: (MAT 2110G or MAT 1441G) AND (MAT 2250G or BIO 4750).....6-9s.h.
 Recommended Electives: BIO 2210, 2220, 3200, 3300, 3624, ,.....24s.h.
 (Calculus is required by some medical schools and the Biology major)

Pre-Nursing

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Eastern Illinois University has a cooperative agreement with Lakeview College of Nursing. After completing 2 years at Eastern Illinois University, the student would then transfer to Lakeview College of Nursing to complete the coursework necessary to satisfy a Baccalaureate in Nursing (BSN). When enrolled at Lakeview, the student will be pay Lakeview tuition, however they may live on the EIU campus and use all of the campus services. Lakeview College of Nursing now requires a minimum 2.50/4.00 prerequisite GPA to be considered for admission. Note that a 2.50 GPA is the **minimum** accepted. **However**, due to the competition, it typically takes a higher GPA to gain admission.

Students must meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Humanities/Fine Arts.....	9s.h.
Sociology: SOC 1838G.....	3s.h.
Social Behavioral Sciences	3s.h.
Psychology: PSY 1879G.	3s.h.
Chemistry 1310G, 1315G, 1410, 1415,	8s.h.
Biological Sciences: BIO 1001G or 1500, 1004g, 2210, 2220,	14-15s.h.
Math: MAT 1270, (2250G or MAT 4750).....	7s.h.
Family/Consumer Sciences 1800, 2100	6s.h.

BIO 2220 Anatomy & Phys II

Pre-Occupational Therapy

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Occupational therapists help people prepare to re-enter the workplace or merely regain control over their lives. They help patients develop behaviors and modify the workplace or living environment to accommodate disabilities and prevent further injury. As such, they are part psychologist, part sociologist, and part allied health specialist.

Occupational Therapy programs are phasing in master's level degrees rather than the traditional baccalaureate degree. Students enrolled at Eastern who decide to pursue a career in Occupational Therapy should complete a baccalaureate degree in an appropriate major, such as Psychology or Biology, and apply to a graduate program. A 3.50 gpa and a solid performance on the Graduate Record Exam (GRE), taken the summer before senior year, are required. Most programs also require 45+ experience hours with a licensed occupational therapist and three letters of recommendation (1 academic, 1 professional, and 1 of your choice). Each OT program has different requirements, it is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

Students may major in any field, but usually must meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Biological Sciences: BIO 1500, 2210, 2220.....	12s.h.
Math: MAT 2250G.....	4s.h.
Psychology: PSY 1879G, 3515, 3525, 3780.....	12s.h.
Family/Consumer Science: FCS 1800.....	3s.h.
NOTE: Some schools that require Chemistry and Physics	
Chemistry 1310G, 1315G, 1410G, 1415G	8s.h.
Physics 1151G, PHY1152G.....	4 s.h.

BIO 2220 Anatomy & Phys II

Pre-Optometry

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

To prepare for a career in optometry, a student must complete 4 years of education to obtain a Doctor of Optometry (O.D.) degree at a professional college of optometry. Admission is very competitive and each optometry program has slightly different criteria. It is important to review the pre-requisites for each school and identify which program you wish to apply and plan accordingly. On average students should maintain a grade point average near 3.40/4.00 or higher, demonstrate leadership skills, expose yourself to the world of optometry, and perform well on the Optometry Admission Test (OAT).

Students may major in any field, but usually must meet the following minimum course requirements:

English: ENG 1001G, 1002G.....	6s.h.
Biological Sciences: BIO 1500, 3120, 3300.....	12s.h.
Chemistry 1310G, 1315G, 1410, 1415, 2440, 2445.....	12s.h.

Pre-Pathologist Assistant

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Pathologists' assistants (PathAs) provide anatomic pathology services under the direction and supervision of a pathologist. These allied health professionals utilize a variety of manual and automated techniques to process, dissect, stain, etc. tissue samples from patients. Individuals assess the condition of patients for sample procurement, examination, diagnosis, and treatment. Job duties may include coordination of autopsy protocols perform postmortem examinations. They must pass a national certifying examination (American Society for Clinical Pathology, or ASCP) which is open only to graduates of accredited PathA programs.

The preferred PathA degree is at the Masters-level degree based on a curriculum involving both classroom instruction and clinical rotations, usually requiring 1 ½ to 2 years for degree completion. Therefore, most students entering a PathA program have already completed a baccalaureate degree, usually in the sciences. The average entrant has competitive scores on the GRE, and has a minimum grade point average of 3.00/4.00. Attributes such as demonstrated caring attitude toward others, communication skills, emotional stability under stress and problem solving ability are important selection factors.

There are currently 8 NAACLS accredited PathA programs in America. It is very important when you begin your program to identify which programs you plan to apply and plot out their requirements accordingly.

Students may major in any field, but MUST meet the following minimum course requirements:

English: ENG 1001G, 1002G.....6s.h.
 Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....19s.h.
 Biological Sciences: BIO 1500, 3120.....8s.h.
 Physics: PHY 1151G, 1152G, 1161, 1162).....8s.h.

Pre-Pharmacy

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Since pharmacy schools admit few, if any, students without a bachelor's degree. Most students desiring the pharmacy degree complete a Bachelor's degree before entering pharmacy school. Programs leading to the BA or the BS degree with a variety of majors are suitable although most students select a major in biological sciences or chemistry. When registering, such students should indicate their choice of degree and major, and declare Pre-Pharmacy as a second major.

Students apply through a central application service one full year before matriculating to a medical school, and should be prepared to take the Pharmacy College Admissions Test (PCAT) during the spring semester of the year in which they are applying; the following minimum requirements should be met by that time.

Students may major in any field, but MUST meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450*.....	17s.h.
Biological Sciences: BIO 1500, 1550G 2210, 2220, 3120.....	8s.h.
Physics: PHY 1151G, 1152G, 1161, 1162.....	8s.h.
Math: MAT 1441G or 2110G, 2250G.....	7-9s.h.
Philosophy: PHI 1000G.....	3s.h.
Humanities & Fine Arts General Education.....	6s.h.

Pre-Physician Assistant

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Physician assistants (PAs) practice medicine under the supervision of licensed physicians, and they are qualified to perform approximately 80% of duties commonly done by primary care physicians. PAs, however, practice in almost all health care settings and in many medical and surgical specialties. They must pass a national certifying examination which is open only to graduates of accredited PA programs.

The preferred PA degree is at the Masters-level degree based on a curriculum involving both classroom instruction and clinical rotations. Therefore, most students entering a PA program have already completed a baccalaureate degree, usually in the sciences. The average entrant has had approximately four years of health care experience (experience is required by many programs see below), competitive scores on the GRE, and has a grade point average of 3.40/4.00. Attributes such as demonstrated caring attitude toward others, communication skills, emotional stability under stress and problem solving ability are important selection factors.

Each PA program has different requirements. It is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

Students may major in any field, but MUST meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840*, 2845*.....	16s.h.
Biological Sciences 1500, 3120, 2210, 2220, 3300	20s.h.
Physics: PHY 1151G*, 1152G*.....	8s.h.
Math: MAT 1271, 1441G or 2110G, 2250G or BIO 4750.....	7-9s.h.
Social Behavioral Sciences (PSY 1879G, SOC 1838G).....	9s.h.
Recommended Courses (PHI 2500G, CHM 3450)	3s.h.

*Required by some PA schools

Pre-Physical Therapy

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Physical Therapists work with patients to regain mobility and strength after accidents or injury. Training to become a physical therapist requires a doctorate consisting of 2-3 years of training beyond the baccalaureate degree. A Bachelor of Science in Biological Sciences includes most of the physical therapy (PT) prerequisites; however, any academic baccalaureate degree will be acceptable that includes these prerequisites. The Graduate Record Exam (GRE) is required for entry into most PT programs. To be accepted into a PT program, a GPA of at least 3.4 on a 4.0 scale and high GRE scores are needed. Most programs also require 45+ job shadowing/experiential hours in the health care field (preferably PT). Each PA program has different requirements. It is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

Students may major in any field, but usually must meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Chemistry: CHM 1310G, 1315G, 1410, 1415	8s.h.

Pre-Podiatry

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Podiatrists: the medical experts for your complete foot care/surgical needs. To be a candidate for a podiatry program a student must complete at least 90 hours of education at the undergraduate level. The student then applies to a Doctor of Podiatric Medicine (DPM) degree at a professional college of podiatry. Admission is very competitive and each podiatry program has slightly different criteria. **It is important to review the prerequisites for each school and identify which program you wish to apply and plan accordingly.** On average students should maintain a grade point average near 3.40/4.00 or higher, demonstrate leadership skills, expose yourself to the world of podiatry, and perform well on the Medical Admission Test (MCAT).

Students may major in any field, but MUST meet the following minimum course requirements:

English: ENG 1001G, 1002G.....6s.h.
 Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....19s.h.

Pre-Veterinary Medicine

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs.
Summer classes can also reduce the load during Fall and Spring semesters.*

Admission into veterinary school is very competitive. Although many of the veterinary medical college do not require a bachelor's degree for entrance, most students admitted will have completed a bachelor's degree. Students should maintain a grade point average near or above 3.50/4.00, acquire leadership skills, extensive/diverse experience in veterinary medicine, and obtain 63% on the Graduate Record Exam (GRE) to be competitive. Students apply through a centralized application service *Veterinary Medical College Application Service (VMCAS)* in June between the junior and senior years. Apply Early! At least three letters of recommendation are required, typically 1 from a college instructor and 1 from a veterinarian. The last letter can be from the student's choosing. Each of the 28 veterinary programs have different requirements, it is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

Students may major in any field, but usually must meet the following minimum course requirements:

ENG 1001G, 1002G.....	6s.h.
Chemistry 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....	19s.h.

Special Education (B.S. in Education) Licensure Programs Leading to Multiple Endorsements

Early Childhood Special Education and Early Childhood Education:

Any student desiring to add an endorsement for Early Childhood Education may do so by supplementing the Special Education Early Childhood Option with the aid of an academic advisor in the Department of Special Education. In order to do so, the student will be required to complete course requirements in the area of Early Childhood Education.

Special Education and Elementary Education:

Any student desiring to earn the Elementary Education [1-5(6) Illinois] endorsement in addition to the Standard Special (PK-21 Illinois) endorsement may do so by supplementing the Standard Special Option with the aid of an academic advisor in the Department of Special Education. Student will be required to complete Elementary Education course work and additional general education requirements.

Special Education and Secondary Education:

Any student desiring to earn a High School (9-12 Illinois) endorsement in addition to the Standard Special (PK-21 Illinois) endorsement may do so by supplementing the Standard Special Option with the aid of an academic advisor in the Department of Special Education. A minimum of 32 semester hours in an Academic area is required. Academic Areas possible include Art, Math, Music Education, Spanish, Career and Technical Education (Business Education, Family and Consumer Sciences or Technology Education).

Sport Management (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*
