French, German, Spanish	
UNDECLARED MAJORS (Academic Advising) – McAfee, Rm 1110.....	(217) 581-2314

## Eastern Illinois University Transfer Admission and Advisement Guidelines 2021-2022

### Admission Requirements

1. There is no minimum number of hours required to transfer.
2. A transfer student with 24 semester hours or more must have a “C” average (2.0 out of a 4.0) cumulative from all college credit and at least a “C” average from the last institution attended.
3. A transfer student with less than 24 semester hours with a 2.0/4.0 must meet the college requirement of a “C” average from the last institution attended and they must also meet one of the following criteria:

ACT 18 or SAT 960 *or old SAT 860\** AND High School GPA of 2.5

OR Test Optional – High School GPA of a 2.8

*\* SAT Exams taken prior to March 2016*

### Transfer Agreements

1. A transfer student who is transferring to Eastern with any Baccalaureate-Oriented Associates degree from an Illinois public community college, Lincoln College, or Springfield College are guaranteed at least 60 semester hours in transfer credit, junior status, and all lower division general education requirements met.
2. Students may complete any general education requirements at EIU that were not completed as part of their associates degree.
3. Eastern is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum between participating institutions. Transfer students who complete the 37 to 41 semester-hour package of the IAI from any participating college or university in Illinois will be guaranteed all lower division EIU general education requirements completed, the cultural diversity requirement will be met unless seeking a teaching certificate, and the Constitution course will not be required unless seeking a teaching certificate. (For more information visit [www.iTransfer.org](http://www.iTransfer.org) )

### Acceptance of Credit

1. Eastern accepts all college credit from regionally accredited institutions with the exception of courses that are remedial, developmental, or orientation in nature.
2. Eastern accepts CLEP and/or CEEB Advanced Placement credit provided official test scores are sent and meet Eastern’s standards as set by the appropriate department. All scores need to be sent from the testing agency to the EIU Records Office.
3. There is no maximum number of hours that can be accepted; however, the following graduation requirements must be completed for traditional majors:
  - a. 120 semester hours with all general education and major requirements completed;
  - b. 40 semester hours of upper division (junior/senior level) courses;
  - c. 42 semester hours taken in Eastern (may include off-campus courses taught by EIU faculty)

### Optional Catalog

An undergraduate transfer student may choose to graduate under the requirements stated in the EIU catalog at the time he/she initially enrolled at another college provided that catalog does not precede his/her enrollment at EIU by more than three years.

## **EIU General Education**

### **LANGUAGE: (LG)** 9 semester hours

The requirement is three courses: two in reading and writing and one in listening and speaking. These courses are graded “A”, “B”, “C”, “N/C” (no credit). These courses will only be accepted if they were completed with a “C” or higher.

### **MATHEMATICS: (MA)** 3 semester hours

Please see the substitution list for appropriate general education math courses.

### **SCIENTIFIC AWARENESS:** 7-8 semester hours

The requirement is at least one course in the biological sciences (BS) and one in the physical sciences (PS). At least one course must have a lab.

### **HUMANITIES & FINE ARTS:** 9 semester hours

The student must successfully complete at least one course from humanities (HU), one from fine arts (FA), and one course from either humanities or fine arts.

### **SOCIAL & BEHAVIORAL SCIENCE:** (SB) 9 semester hours

Two of the three courses must be from different disciplines. An American Government/Constitution course is required for students in Education.

### **SENIOR SEMINAR:** 3 semester hours

To be completed after transfer to Eastern.

### **WORLD LANGUAGE:** (FLG) 0-8 semester hours

The requirement is the completion of the second course in the elementary sequence: 1102. Students are exempt if they have 2 years of high school with “C” average.

### **CULTURAL DIVERSITY:** (D – Diverse) or (N or N/W – Non-Western) 3 semester hours

Students are required to complete a culturally diverse course within one of their general education groupings. These courses can fulfill both the culturally diverse requirement as well as a requirement for another general education area. A culturally diverse course is not needed if IAI or Baccalaureate-Oriented Associates Degree is completed prior to transfer unless the student is an education major.

### **WRITING COMPETENCY:**

All students are required to participate in an Electronic Writing Portfolio made up of essays submitted in writing intensive courses.

- a. 3 essays are required of all students regardless of number of hours transferred.
- b. Essay can be from any course taken at EIU.
- c. Transfer Students are encouraged to submit at least one essay their first semester at EIU.

## Associate Degree Benefits

Transfer students who receive a baccalaureate-oriented associates degree from any regionally accredited institution will be guaranteed the following:

- A minimum of 60 semester hours in transfer credit;
- Junior status;
- All lower division EIU general education requirements are automatically waived; and
- The cultural diversity requirement and the constitution requirements are automatically waived (unless pursuing teaching certificate).

\*Students who transfer to Eastern without baccalaureate-oriented associates degree or the IAI GECC will have their transfer credit evaluated on a course by course basis. Courses will be placed into the comparable general education and major requirements listed in the EIU catalog the student chooses. Students may also finish the IAI GECC at EIU.

\*Students must meet the World Language requirement if they are not exempt with high school work. (World Language is a graduation requirement)

## Majors and Options

Accounting (& Minor)	Business Analytics (Minor)
Advertising (Minor)	Business Education
Africana Studies (Minor)	Career and Technical Education
Aging Studies (Masters)	Emphases in:
Anthropology (Minor)	Business Education
Art (BA)	Family and Consumer Sciences
Options available in:	Technology Education
Art History (& Minor)	Chemistry (BA, BS, & Minor)
Graphic Design (& Minor)	Concentrations in:
Studio Art (& Minor)	Chemistry
Art (BFA)	Management
Options available in:	Child Care Education
Graphic Design (& Minor)	Clinical Laboratory Science (Co-Op)
Studio Art	Communication and Cultural Diversity (Minor)
Teacher Licensure	Communication Disorders and Sciences (& Minor)
Asian Studies (Minor)	Communication in Organizations (Online)
Astronomy	Communication Studies (& Minor)
Biochemistry (BS & Minor)	Options in:
Biological Sciences (& Minor)	Corporate Communication
Options available in:	Interpersonal Communication
Environmental Biology	Mass Communication
<i>Also see Pre-Professional Programs</i>	Computer & Information Technology
Broadcast Meteorology (Minor)	Computer Science
Business Administration (only online or at Parkland)	Computational Physics
Business Administration (Minor)	Construction Management
Business Analytics & Information Systems	Counseling and Student Development (Masters)

College of Student Affairs	History (& Minor)
Counseling	Options available in:
Concentrations in:	International Studies
Clinical Mental Health	Teacher Licensure in History
School Counseling	Historical Administration (Masters)
Criminology & Criminal Justice	Hospitality Entrepreneurship
Criminology (Minor)	Hospitality Management
Curriculum & Instruction (Masters)	Human Resource Management (Minor)
Cybersecurity (Masters)	Human Services Program Administration
Digital Media	Interdisciplinary Studies
Early Childhood Education (Pre-2)	Jazz Studies (Minor only)
Early Childhood Program Admin. (Minor)	Journalism
Early Childhood Special Education	Concentrations in:
Earth Science (Minor)	Broadcast Journalism
Economics (& Minor)	Public Affairs Reporting
Options available in:	Sports Media Relations (& Minor)
International Studies	Kinesiology & Sports Studies
Educational Leadership (Masters)	Option in Teacher Education
Elementary Education (1-6)	Latin-American Studies (Minor)
Engineering (Co-Op)	Leadership Community Recreation (Minor)
Electrical Engineering	Management (& Minor)
Engineering Physics	Concentrations in:
Engineering Technology	Human Resources
English (& Minor)	International Management
Emphasis in:	Management Info Systems (Minor)
Literary & Cultural Studies	Marketing (& Minor)
Creative Writing (Minor)	Mathematics (& Minor)
Professional Writing	Mathematics with Teacher Licensure
English Studies	Concentrations in:
Language Arts Option for Teacher Licensure	Applied Mathematics
Creative Writing (Minor)	Pure Mathematics
English Language Arts Teacher Licensure (Minor)	Media Technology (Minor)
Literary & Cultural Studies (Minor)	Middle Level Education (5-8)
Professional Writing (Minor)	Military Science (Minor)
English as a Second Language (Masters)	Music (BM)
Entrepreneurship (Minor)	Options available in:
Environmental Biology	Performance, including Jazz Studies
Environmental Impact & Sustainability (Minor)	and Music Composition
Ethics (Minor)	Teacher Licensure in Music
Exercise Science	Music (BA)
Fashion Merchandising & Design	Options available in:
Film Studies (Minor)	Audio and Recording Technology,
Finance (& Minor)	Open Studies
Financial Literacy (Minor)	Music Theory and Composition
Geographic Information Sciences (Minor)	Music Technology (Minor)
Geographic Information Sciences (Masters)	Natural Sciences (Masters)
Geography (& Minor)	Neuroscience (& Minor)
Options in:	Nursing (Freshman Traditional)
Environmental/Physical	Nursing (RN to BS)
Human Geography	Nutrition and Dietetics (& Minor)
Geology (& Minor)	Operations & Supply Chain Management (Minor)
Health Administration	Organizational Development (& Online)
Health Communication (& Minor)	Organizational Leadership (Minor)
Health & Medical Humanities (Minor)	Philosophy (& Minor)

Photojournalism (Minor)  
 Physical Education Teaching (grades K-12)  
 Physics (& Minor)  
     Options available in:  
         Astronomy  
         Computational Physics  
         Engineering Physics  
 Political Science  
     Options available in:  
         Civic & Nonprofit Leadership (& Minor)  
         International Studies

     Emphasis in:  
         Musical Theatre Performance  
         Generalist in Theatre Arts  
         Performance  
         Technical and Design  
 Video Production (Minor)  
 Women's Studies (Minor only)  
 Workplace Wellness (Minor)  
 World Languages  
     Concentrations in:  
         French (& Minor)  
         German (& Minor)  
         Spanish (& Minor)  
         Teacher Licensure (French, German, Spanish)

## TEACHER EDUCATION TIPS

SEE [www.eiu.edu/coe/teached.php](http://www.eiu.edu/coe/teached.php) FOR DETAILS

### 1. Formal Application to Teacher Education

- Transfer students should apply to teacher education during the first semester of attendance at EIU.
- Meetings held with individual students on an ongoing basis. Check website for dates and information: <http://www.eiu.edu/coe/teached.php>.

### 2. Complete at least 29 Semester Hours to be selected for Teacher Licensure Programs

- At least 15 hours must be earned at EIU

### 3. Minimum Cumulative GPA of 2.65/4.0

- All students must establish and maintain 2.65 GPA at EIU for University approval to take teacher education courses.
- Post-baccalaureate candidates must have undergrad GPA of 2.56 or have completed Master's with 3.00 GPA

## ADDITIONAL REQUIREMENTS FOR APPROVAL TO TAKE TEACHER EDUCATION COURSES

### 4. "C" or Better in ENG 1001G, ENG 1002G, and CMN 1310G

- Transfer substitutions can be used.
- If a "D" was earned in English or Speech, course must be repeated.

### 5. "C" or Better in College Level Math

- IAI General Education Mathematics or college-level math will satisfy this requirement.

### 6. "C" or Better in One of the Following Introduction to Education Courses

- ELE 2050 for Elementary Education
- SPE 3201 or SPE 3220 for Special Education
- SED 2000 for Secondary Education
- KSR 2000 for Kinesiology and Sports Studies
- ART 2400 for Art Education
- MUS 2440 for Music Education
- CTE 2000 for Career and Technical Education (SED 2000 combined with CTE 2001 can be substituted)

### 7. Complete other requirements

- Have Speech & Hearing Tested at EIU Clinic (217-581-2712) for appointment (\$5.00 fee – subject to change).
- Complete the first required Criminal Background Investigation (\$34 fee – subject to change).

**Note: Grade of "C" or better is necessary for all coursework required for a teaching certificate degree program. This requirement included general education and professional courses.**

---

### Test of Basic Skills

A test of basic skills is **no longer required** for any teacher licensure candidate (Public Act 101-0220). This includes anyone seeking the Professional Educator License (PEL), anyone enrolling in an alternative educator preparation program, or for individuals who will be taking part in a school support internship. Candidates who did not complete a preparation program because they did not pass the test of basic skills may contact their institution and request an audit for eligibility to complete remaining program requirements.

Public Act 101-0220 also states that, subject to appropriation, individuals holding a Professional Educator License and employed for one year in a Tier 1 district, may receive a refund for edTPA fees from the State Board.

## Special Requirements for Majors

*Students may declare any major after initial admission to EIU.  
However, students may need to meet departmental criteria to advance in their area of study.  
The majors below have requirements that are in addition to EIU general admission.*

- ❖ **Art:** a minimum cumulative GPA of 2.25 and a minimum major GPA of 2.75. For graduation, all Art majors require the completion of the foundation courses (ART 1000, 1001, 1110, 1111, 250, 2601G, 2602G, 2749)
- ❖ **Business:** All programs in the **School of Business** [Accounting, Business Administration (only online or at Parkland College), Finance, Management, Management Information Systems, and Marketing] Business majors must have a minimum grade of “C” or better in **prerequisite courses** to take certain upper level Business courses.
- ❖ **Clinical Laboratory Sciences:** This cooperative degree program includes three years of college work followed by completion of a one-year program in clinical laboratory science at an affiliated hospital. The clinical hours taken at the affiliated hospital will be treated as courses taken at EIU counting in residency hours and will be included in EIU grade point average. EIU cannot guarantee admission to any of its affiliated hospitals, but to be assured of serious consideration for acceptance by one of the affiliated schools, the student should have achieved a minimum cumulative and major grade point average of 3.0 (on a 4.0 scale). EIU has an excellent record of placement of qualified students into the hospital programs.
- ❖ **Communication Disorders and Sciences** requires students to meet criteria for degree admission that include a 2.5 cumulative GPA and a minimum major GPA of 2.75. Those GPAs must be maintained to register for subsequent upper-division CDS courses. In the CDS major, students earn their professional credentials at the graduate level.
- ❖ **Communication Studies** minimum grade of “C” in core courses.
- ❖ **Economics** requires a 2.25 GPA in Economics course work with at least six semester hours of Economics earned for admission to the program.
- ❖ **Engineering** requires three years of study at EIU followed by two more years at UIUC or SIU-C.
- ❖ **English** minimum grade of “C” in core courses
- ❖ **Exercise Science** - Completion of BIO 2210, KSS 1500 and KSS 2440 (or equivalents) with a grade of C or better.
- ❖ **Graphic Design** Admission to the program is limited to those students who have satisfied the specific course requirements (ART 1000, 1110, 1111, 2910), have a minimum cumulative GPA of 2.20 for all coursework, and a minimum GPA of 2.0 for all Art coursework, and submit an art and design portfolio.
- ❖ **Health Administration** requires 15 semester hours of credit to be completed with a minimum 2.0 GPA. Minimum major GPA required for graduation is 2.5. All core required courses need to be completed with a grade of “C” or better.
- ❖ **Health Communication** requires 15 semester hours of credit to be completed with a minimum 2.0 GPA. Minimum major GPA required for graduation is 2.5.
- ❖ **Interdisciplinary Studies** major is designed to meet the educational goals of mature adults in a format and structure compatible with adult responsibilities. Students must meet regular admission requirements to the University and are admitted to this program only through the School of Extended Learning.
- ❖ **Public Health** requires 15 semester hours of credit to be completed with a minimum 2.0 GPA. Minimum major GPA required for graduation is 2.5. All core required courses need to be completed with a grade of “C” or better.
- ❖ **History Education (w/Social Science Teaching)** requires a 3.0 major GPA and a 2.75 cumulative GPA.
- ❖ **Journalism** minimum grade of “C” in core courses

- ❖ **Language Arts Teacher Certification** requires a minimum grade of “C” in core courses; and a minimum 2.75 cumulative GPA
- ❖ **Music** majors must audition; minimum grade of “C” in core courses
- ❖ **Non-Business Majors** A student pursuing a major other than one resulting in the B.S. in Business cannot count more than 30 semester hours of business subjects toward fulfillment of bachelor’s degree requirements.
- ❖ **Nursing (Traditional Freshman Program)** Designed for students who begin at EIU and take the majority of their Prerequisites required for admission to the Nursing program. Not intended for transfer students at this time.
- ❖ **Pre-Nursing** students planning to attend a nursing program to prepare for registered nurse licensure can take pre-nursing courses at EIU prior to transfer to another college or university.
- ❖ **Psychology** major admission requires students to complete MAT 1271 (or a higher level math course) with a “C” or better or earn ACT mathematics sub-score of 26 or higher, in addition to earning at least a “C” in PSY 1879G or its equivalent; minimum grade of “C” in core courses
- ❖ **RN to BS in Nursing Program** Admission requires admission to EIU, RN license, minimum GPA of 2.5, CPR certification, two professional letters of reference, two-step TB testing, Immunizations, professional statement and completed application to the program.
- ❖ **Sociology** requires a 2.0 average GPA in the core courses.
- ❖ **Sports Management** - Completion of KSS 1500 and KSS 2761 (or equivalent) with a grade of C or better
- ❖ **Teacher education** majors and options require a *minimum* cumulative GPA of 2.65 and a “C” or better in all courses used towards graduation, regardless of where they are taken. This includes general education, professional education, major and courses, all University required courses and electives. Teacher licensure for English, History and Social Science Teaching requires a minimum cumulative GPA of a 2.75.
- ❖ **Theatre** minimum grade of “C” in core courses

## TRANSFER GUIDES

The following guides are course suggestion patterns. These are courses that can be possibly taken at the community college level to benefit students in their bachelor's degree program at Eastern Illinois University. Other tools that can assist in the advisement process are the EIU Undergraduate Catalog and the Course Substitution Lists for EIU and your Community College (both are available on the website). There are transfer guides for all the majors listed in alphabetical order.

If you have any questions about the guides or the handbook please contact:

The Office of Transfer Relations  
217-581-2120  
transfer@eiu.edu  
www.eiu.edu/~transfer

## Accounting (B.S. in Business)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### First Year

#### First Semester

ENG 1001G<sup>1</sup> Comp/Language  
MAT 1271 or 1400 College Algebra/Pre Calc  
CMN 1310G<sup>1</sup> Speech Comm  
BUS 1950<sup>2</sup> Computer Concepts  
IAI Gen Ed Humanities\*

#### Second Semester

ENG 1002G<sup>1</sup> Comp/Literature  
MAT 2120G Finite Math  
IAI Gen Ed Fine Arts\*  
IAI Gen Ed Humanities\*  
IAI Gen Ed Biological Science\*

### Second Year

#### First Semester

BUS 2101<sup>2</sup> Financial Accounting  
BUS 2810<sup>2</sup> Business Stats  
ECN 2801G Macroeconomics  
MAT 2110G<sup>1</sup> Brief Calc  
or PHI 1900G<sup>1&3</sup> Logic  
IAI Gen Ed Physical Science\*

#### Second Semester

BUS 2102<sup>2</sup> Managerial Accounting  
BUS 2750<sup>2</sup> Legal and Social Environment  
ECN 2802G Microeconomics  
IAI Gen Ed Social/Beh. Science\*  
IAI Gen Ed Fine Arts or Humanities\*

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a "C" or better

<sup>2</sup> Must be completed with a "C" or better for prerequisites of upper division course in the School of Business

<sup>3</sup> Fulfills IAI General Education Humanities requirements

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a "C" average or better.

## Art (B.A.) Art History Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a "C" average or better.

## Biological Sciences (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

**Note: For pre-health tracks (medicine, pharmacy, dental, physical therapy, occupational therapy, optometry, veterinary, physician's assistant) see advisement sheets included in this handbook for appropriate coursework.**

### First Year

#### First Semester

ENG 1001G<sup>1</sup>            Comp/Language  
BIO 1500                General Biology  
CHM 1310G/1315G    Chemistry I w/lab  
IAI Gen Ed Humanities  
IAI Gen Ed Social/Beh Science

#### Second Semester

ENG 1002G<sup>1</sup>            Comp/Literature  
CHM 1410/1415        Chemistry II w/lab  
BIO 1550G             Biology II  
MAT 2250G             Statistics  
IAI Gen Ed Social/Beh Science

### Second Year

#### First Semester

CHM 2440/2445<sup>2</sup>        Organic Chem I w/lab  
CMN 1310G<sup>1</sup>            Speech Comm  
MAT 1441G or 2110G    Calculus  
PHY 1151G/1152G      Physics I w/lab

#### Second Semester

CHM 2840/2845<sup>2</sup>        Organic Chem II w/lab  
PHY 1161/1126        Physics II w/lab  
IAI Gen Ed Social/Beh Science  
IAI Gen Ed Humanities/Fine Arts  
IAI Gen Ed Fine Arts

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a "C" or better in English Composition I and II and Public Speaking.

<sup>2</sup> Pre-health students should take CHM2440/2445 (Org Chem I) and CHM2840/2845 (Org Chem II)- please see concentration-specific pages for details

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a "C" average or better.

## Biological Sciences (B.S.) Environmental Biology Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a "C" or better in English Composition I and II, and Public Speaking.

<sup>2</sup> These courses are required for the Communication Disorders and Sciences major. If these courses are not offered, it recommended to take minor courses (Psychology or Sociology minors are recommended)

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a "C" average or better.

E. Due to limited CDS courses at the community colleges, it is recommended to transfer early in coursework

F. See Major Admission Requirements on the next page.

### **Admission to the CDS Major:**

Students entering EIU as Freshman or Transfer seeking a CDS degree will be classified as probational CDS majors. Probational majors may register for all lower division (2999 or lower) courses in the CDS major.

Access to all upper division CDS courses requires admission to the CDS Major. The Department Chair reviews the applications of all probational CDS majors seeking admission to the major. The chair determines if the student's academic achievement supports admission to the major and access to upper division course.

### **Criteria for Admission:**

- **Admission to the University**
- **Classification as a probational CDS major**
- **Achievement of a cumulative GPA of 2.5 or higher for all EIU course work**
- **For Transfer Students, completion of at least 15 semester hours of course work at EIU**
- **Completion of at least three of the five lower division core CDS courses in the major and achievement of a minimum 2.75 GPA for all lower division core CDS courses completed at the time of application.\***
- **Lower division courses are:**

<b>CDS 2000 Intro to CDS.....</b>	<b>1 s.h.</b>
<b>CDS 2100 Phonetics &amp; Phonological Development.....</b>	<b>3 s.h.</b>
<b>CDS 2200 Language Acquisition.....</b>	<b>3 s.h.</b>
<b>CDS 2500 Anatomy &amp; Physiology.....</b>	<b>3 s.h.</b>
<b>CDS 2800 Speech Science.....</b>	<b>3 s.h.</b>

\*Application for admission to the CDS major are available in the CDS Department Office.

(A Master's Degree is the required level of training for Certification in the area of Speech-Language Pathology. At least a 3.0 GPA is the required undergraduate GPA for admission into the Graduate Program. A Clinical Doctorate Degree is the required level of training for Certification in the area of Audiology.)

**Communication Studies (B.A.)**  
**Communication in Organizations Online Option**  
*Online Degree Program*

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

<sup>1</sup> Must have a grade of a “C” or better.

<sup>2</sup> Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a “C” average or better.

<sup>3</sup> Students in the Communication in Organizations Option must complete eleven courses from the Communication in Organizations Option Core and four elective courses that may be selected from CMN, JOU, OPD, or ENG departments. See advisor for further assistance.

NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

## Communication Studies (B.A.) Interpersonal Communication Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### **First Year**

#### First Semester

ENG 1001G<sup>1</sup> Comp/Language  
CMN 1310G<sup>1</sup> Intro Speech Com  
IAI GEN ED Humanities/Fine Arts(\*)  
IAI GEN ED Social Science(\*)  
World Language <sup>2</sup> or Elective

#### Second Semester

ENG 1002G<sup>1</sup> Comp/Literature  
IAI GEN ED MAT(\*)  
IAI GEN ED Humanities/Fine Art(\*)  
IAI GEN ED Physical Science(\*)  
World Language <sup>2</sup> or Elective

### **Second Year**

#### First Semester

IAI GEN ED Social Science(\*)  
IAI GEN ED Bio Science/lab(\*)  
CMN Elective<sup>3,4</sup>  
CMN Elective<sup>3,4</sup>  
CMN 2630 Interpersonal

#### Second Semester

CMN Elective<sup>3,4</sup>  
CMN Elective<sup>3,4</sup>  
IAI GEN ED Humanities/Fine Art(\*)  
IAI GEN ED Social Science(\*)  
CMN 3100 Persuasion

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a grade of a “C” or better.

<sup>2</sup> Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a “C” average or better.

<sup>3</sup> All Communication Majors, regardless of Option Area, are required to complete six Core Courses: CMN 2010 (Communication Theory), 3000 (Communication Research), 3100 (Persuasion), 2040 (Critical Thinking and Argumentation), 3220 (Rhetoric of Race and Class), 3903 (Rhetoric of Gender and Sexuality) and 4680 (Capstone in Communication Studies).

<sup>4</sup> Students in the Interpersonal Communication Option may select any CMN prefix course as an elective. See advisor for more information.

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

## Communication Studies (B.A.) Corporate Communication Option

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a "C" or better in all courses.

<sup>2</sup> Required for admission into the Education Program.

#### NOTES:

This major requires that all students (including transfer students from community colleges or senior institutions) follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as explained at the University Admission to Teacher Education Meeting which all students must attend. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education website at <https://www.eiu.edu/coe/teached.php>.

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.

While all of Eastern Illinois University's teacher education programs are approved by the Illinois State Board of Education, only the State can issue a teaching license. All licensure programs are subject to change to follow requirements of the Illinois State Board of Education and the Department of Teaching, Learning and Foundations.

**PLEASE SEE THE EDUCATION TIPS ON PAGE 15 OF THIS HANDBOOK.**

## Economics (B.A.)

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a "C" or better in all courses.

<sup>2</sup> Required for admission into the Education Program.

<sup>3</sup> Addition courses to choose from include MAT 2250G, HIS 3810, ART 3440 and MUS 3420.

<sup>4</sup> College Algebra may require additional prerequisites. Summer sessions can reduce load.

#### NOTES:

This major requires that all students (including transfer students from community colleges or senior institutions) follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as explained at the University Admission to Teacher Education Meeting which all students must attend. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education website at <https://www.eiu.edu/coe/tached.php>

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.

While all of Eastern Illinois University's teacher education programs are approved by the Illinois State Board of Education, only the State can issue a teaching license. All licensure programs are subject to change to follow requirements of the Illinois State Board of Education and the Department of Teaching, Learning and Foundations.

**PLEASE SEE THE EDUCATION TIPS ON PAGE 15 OF THIS HANDBOOK.**

## Engineering (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

This cooperative degree program, administered by the Pre-Engineering Studies Committee, requires about three years of work at EIU followed by two years of work at either the University of Illinois at Urbana-Champaign (UIUC) or Southern Illinois University at Carbondale (SIUC). It is designed to provide engineering students with a broader base of liberal arts that is usually given in a four-year curriculum. Upon completion of the program, the student receives a Bachelor of Science degree from EIU and a Bachelor of Science in Engineering degree from UIUC or SIUC. Interested students should consult with the Chairperson of the Pre-Engineering Studies Committee for detailed requirements of the program.

### **Course requirements:**

Chemistry 1310G/1315G, 1410/1415.....	8 hrs.
Mathematics 1441G, 2442, 2443, 3501.....	19-20 hrs.
Computer Science 2170.....	3 hrs.
Physics 1000 <sup>1</sup> , 1351G/1352G, 1361/1362, 1371/1372.....	12 hrs.
<sup>2</sup> Applied Engineering Tech 2043, Physics 2390, 2400, 3270.....	4-13 hrs.
English 1001G, 1002G.....	6 hrs.
Speech Communication 1310G.....	3 hrs.
General Education Electives <sup>3</sup> .....	20-27 hrs.
<b>TOTAL.....</b>	<b>73-89 hrs.</b>

\*Students completing cooperative degree programs, i.e., Engineering will not be required to take a senior seminar or to submit the fourth sample to the Electronic Writing Portfolio because the terminal year is taken off-campus in cooperative programs.

<sup>1</sup> This course should be repeated each semester that a student attends Eastern. In the case of course conflicts with this course, a waiver should be obtained from the Chair of the Pre-Engineering Studies Committee.

<sup>2</sup> Students are encouraged to take all of these courses, but one or more may not be required in certain engineering fields. SIUC electrical engineering majors take PHY 3410 instead on AET 1043.

<sup>3</sup> These courses should be selected to ensure that EIU General Education Requirements and UIUC or SIUC requirements are both fulfilled.

After completing 60 semester hours in this curriculum, a student may apply to the Pre-Engineering Studies Committee for admission as an engineering candidate. The requirements are a minimum grade point average of 2.50 for UIUC or a 2.00 for SIUC and approval by the committee. Continuation as an engineering candidate includes being admitted and completing the academic requirements of the College of Engineering at UIUC or SIUC.

A student who transfers into this curriculum from another college or university must be in residence at EIU for two semesters or 36 semester hours before he/she becomes eligible for admission as an engineering candidate.

## Engineering Technology (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### First Year

**<sup>2</sup> Electives chosen in consultation with advisor**

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a “C” average or better.

## Interdisciplinary Studies (B.A.)

The Bachelor of Arts in Interdisciplinary Studies Degree Completion Program (BGS) is specifically designed to meet the educational goals of students in a format and structure that is compatible with adult responsibilities. It is recommended that applicants have a minimum of 30 semester hours of transfer credit. We will accept up to 100 hours of transfer credit, including as many as 80 from a community college.

The IDS program provides learners with the opportunity to have their life experiences evaluated for college-level learning. Assessment of prior learning is valuable to the adult learner as it validates knowledge gained outside the traditional classroom. It can save students time and money by decreasing the number of required courses needed for degree completion. Prior learning may be awarded for military experience, proficiency exams, certificates, training, or through a prior learning portfolio. Your academic advisor will work with you to determine your options.

To graduate with a Bachelor of Arts in Interdisciplinary Studies degree, a student must complete 120 semester hours of credit which include:

- 40 semester hours at the junior/senior level.
- 20 semester hours earned from Eastern Illinois University (via on-campus, off-campus or distance learning courses).
- 12 semester hours of credit in Scientific Awareness/Mathematics
- 12 semester hours of credit in Social/Behavioral Science
- 12 semester hours of credit in Humanities/Fine Arts
- 6 semester hours of Communication/Language
- 3 semester hours of Senior Seminar
- 1 course in Cultural Diversity.
- IDS 2985 - Adults in Transition (Required of students who have not completed college-level courses in the past 5 years; elective for all others.)
- IDS 3002 - Critical Thinking and the Adult Learner
- IDS 4001 - Self-Directed Leadership
- Meet Writing Competency Requirement (Electronic Writing Portfolio)
- Maintain a minimum 2.0 cumulative grade point average (4.0 scale)

### Note:

1. A student must meet the University's transfer admission requirements.
2. Beginning Fall 2014 and thereafter, all students transferring into the IDS program from another EIU academic program must meet the IDS degree requirements for the catalog year they are admitted into the program.
3. Grades of "C" or better are required for IDS courses, ENG 1001G, ENG 1002G and CMN 1310G if utilized towards fulfilling the IDS degree requirements.
4. After admission to the program, students may use no more than five (5) one-credit-hour courses towards their degree.

## Journalism (B.A.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

*\*\*Students have the option to choose a concentration. The choices are Broadcast Journalism, Public Affairs Reporting, and Sports Media Relations. See Advisor for more details.\*\**

## Middle Level Education (B.S. in Education) Grades 5-8

The Middle Level Education curriculum prepares candidates to teach adolescents transitioning from childhood to adulthood, placing primary focus on grades five through eight. Teacher candidates will be endorsed in middle grades literacy/language arts and a subject area(s) of their choice (middle grades mathematics, middle grades social science, or middle grades general science).

### Suggested courses for MLE endorsed in middle grades literacy/language arts and social science:

First Year

This major requires that all students (including transfer students from community colleges or senior institutions) follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as explained at the University Admission to Teacher Education Meeting which all students must attend. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education website at <https://www.eiu.edu/coe/teached.php>

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.

While all of Eastern Illinois University's teacher education programs are approved by the Illinois State Board of Education, only the State can issue a teaching license. All licensure programs are subject to change to follow requirements of the Illinois State Board of Education and the Department of Teaching, Learning and Foundations.

**PLEASE SEE THE EDUCATION TIPS ON PAGE 15 OF THIS HANDBOOK.**

## Music (B.A.)

### Audio and Recording Technology Concentration

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during fall and spring semesters.*

#### **First Year**

##### First Semester

Music Theory/Aural Skills<sup>1</sup>  
Applied Instruction (instrument or voice)  
Music Ensemble

## Nursing (R.N. to B.S.)

### Nursing Program Admission Requirements

- Unconditional Admission to EIU
- Cumulative GPA of 2.0 on a 4 point scale
- Complete application to the nursing program including documentation of:
  - Current RN license from state of residence
  - \$30.00 processing fee
- Complete Required Courses for Admission
  - BIO 2210 Anat & Phys I
  - BIO 2220 Anat & Phys II
  - ENG 1001G Comp I
  - ENG 1002G Comp II
  - HSL 1800 Life Span Development
  - PSY 1879G Intro Psychology
  - SOC 1838G Intro Sociology
  - Chemistry or Physics Gen Ed

### Application Deadlines:

Admit to program 5 times per year. Students must be admitted at least one week prior to the beginning of classes. If you are unable to attend in your original term of admission, please notify Admissions Office at [admissions@eiu.edu](mailto:admissions@eiu.edu).

**Associate Degree or Diploma in Nursing** (32 hours from previous nursing program will be applied toward BS in Nursing).

### Progression Requirements:

1. Students enrolled in the RN to BS in Nursing Program must earn a 'C' or better in all major requirement courses to progress in the program.
2. Students must maintain a cumulative grade point average of at least 2.00 throughout their enrollment in the RN to BS in Nursing Program+.
3. A nursing course in which a student failed to earn a grade of 'C' or better may be repeated by the student only one time. Failure to receive a grade of 'C' or better for a second time of any nursing course will result in dismissal from the program.
4. Failure to earn a 'C' or better in any two nursing courses within the RN to BS in Nursing curriculum will result in dismissal from the program.

### Graduation Requirements:

1. Successfully complete **all general education requirements**.
2. Successful completion of all nursing courses with 2.0 in each course.
  - Additional Major courses include BIO 1004G, Microbiology and MAT 2250G Statistics
3. Complete minimum of 40 hrs in upper division courses (3000-4000 level courses)
4. There are 35 hrs of upper division in nursing curriculum.
5. Earn a minimum of 25 hrs in residence
6. Successfully complete 120 hrs with CGPA of 2.0 in all courses attempted.
7. Successful completion of electronic writing portfolio.
8. RN to BS in Nursing students are exempt from the EIU World Language Requirement.

## Nutrition and Dietetics (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

**<sup>1</sup> Must have a “C” or better in English Composition I and II, and Public Speaking.**

**<sup>2</sup> Electives chosen in consultation with advisor**

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a “C” average or better.

## **Organizational Development (B.S.)**

This program prepares students for positions as supervisors, project leaders, change agents, and trainers in a variety of organizational settings. Academic credit for college-level learning from prior occupational experiences is available through preparation and assessment of a portfolio. Of the 120 semester hours required to complete the degree, at least 25 semester hours of courses from EIU must be included.

### **General Requirements include:**

- 9 semester hours of Humanities and Fine Arts
- 9 semester hours of Language
- 3 semester hours of Mathematics
- 7 semester hours of Scientific Awareness
- 3 semester hours of Senior Seminar
- 9 semester hours of Social and Behavioral Science

### **Major Requirements:**

- OPD 4500 (3hrs) Organizational Interactions
- OPD 4810 (3hrs) Principles of Career Development
- OPD 4825 (3hrs) Ethical Behavior in Organizations
- OPD 4830 (3hrs) Organizational Perspectives
- OPD 4835 (3hrs) Supervision in Organizations
- OPD 4840 (3hrs) Training Program Development
- Optional Experiential Learning/Portfolio 1-30 semester hours  
(OPD 3000, Portfolio Development required in preparation)

### **Graduation Requirements**

- 120 semester hours total for graduation
- 40 semester hours upper level
- 25 semester hours from EIU
- Electronic Writing Portfolio
- 2.0 Cumulative GPA
- 2.5 GPA for all courses taken in the major

### **NOTES:**

**A. Credit may be granted via OPD 3200, OPD 3300 or other course numbers within the particular academic department via preparation and submission of a portfolio which explicitly describes college-level learning based on prior occupational experiences.**

**B. Must contain at least 25 semester hours of courses from EIU (excluding portfolio or military credit).**

## Philosophy (B.A.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

*\*\*Students choosing this course pattern also have the option to have a concentration in Integrated Studies. Ask advisor for more details.\*\**

<sup>1</sup> Must have a "C" or better in English Composition I and II and Public Speaking.

<sup>2</sup> Completion of the second Intermediate level of World Languages (WLX 2202G) is required for the International Studies Option.

<sup>3</sup> If offered, up to 2 hours of Model Illinois Government will be counted towards the Applied Learning Requirement in the major.

#### NOTES:

- A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.
- B. The math requirement may need additional prerequisites.
- C. One of the General Education Science courses must have a lab.
- D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

## Pre-Chiropractic

*This is just a suggested course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

EIU offers coursework in preparation for application to Chiropractic school. Upon completion of these undergraduate prerequisites, students may apply to the chiropractic school of their choice. The admissions requirements of the colleges vary, so it is important to determine the specific requirements of the school of your choice. In general, students should plan to complete a bachelor's degree. Like other post baccalaureate health programs, admission is competitive. A strong GPA (minimum 3.00/4.00 scale in both the sciences and cumulative), along with experience are necessary requirements to gain admission.

Eastern Illinois University has entered into affiliation agreements with Logan College of Chiropractic (LCC) and Palmer College of Chiropractic. This admissions program will allow qualified students to attend Logan or Palmer after 3 years (94 credits) at Eastern and finish a doctor of Chiropractic degree after three more years at the chiropractic programs. Under these agreements, Logan or Palmer College of Chiropractic shall accept students who successfully complete the Pre-Chiropractic Program with a cumulative GPA of 3.25 or higher and meet all other criteria for admission. Upon completion of the first year of studies at Logan or Palmer, a maximum of 34 credits from either program may be transferred back to EIU toward completion of credits required for the Bachelor of Science in Biological Sciences degree at Eastern.

Students may major in any field, but MUST meet the following minimum course requirements:

Language: ENG 1001G, ENG 1002G, CMN 1310G.....9 s.h.  
Biological Sciences: BIO 1150, 1500, 1550, 3120, 352 or 221/2220, 2220, 3180, 3200.....29-33 s.h.  
Chemistry: CHM 1310G, 1315G, 1410G, 1415G, 2440, 2445, 2840, 2845, 3300.....19 s.h.  
Physics: PHY 1151G, 1152G, 1161, 1162.....8 s.h.  
Mathematics: MAT 1441G or 2110G, 2250G or BIO 4750.....6-9 s.h.

## Pre-Dentistry Program

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Dentistry is a four-year graduate program. Admission into a dental program is very competitive. Students should maintain a grade point average near 3.50/4.00, acquire leadership skills and exposure to the world of dentistry, and score an 18 or higher on the Dental Admission Test (DAT). Three letters of recommendation are required, typically 2 from the sciences and 1 letter of the student are choosing. Typically the DAT is taken during the Spring Semester of the junior year, and application through a centralized application service Associated American Dental Schools Application Services (AADSAS) is submitted in June between the junior and senior years.

Dental admissions are quite competitive and the vast majority of successful applicants have obtained their baccalaureate degree. Below are the **minimum** requirements to be considered for dental school admission. Dental schools are seeking individuals who are well rounded in their educational background. In selecting a major, identify one that will prepare you best for dental practice or a backup plan. English, biology, chemistry, psychology or psychology with a business minor are a few majors to consider. Because of the manipulative nature of the profession, courses in art and sculpting are also useful.

### Students may major in any field, but **MUST** meet the following minimum course requirements:

English: ENG 1001G, 1002G.....6 s.h.  
Chemistry: CHM 1310G, 1315G, 1410G, 1415G, 2440, 2445, 2840, 2845.....16 s.h.  
Physics: PHY 1151G, 1152G, 1161G, 1162G.....8 s.h.  
Biological Sciences: BIO 1500, 3120.....8 s.h.  
Psychology: PSY 1879G.....3 s.h.  
Recommended Electives: BIO 2210, 2220, 3200, 3300, 3624 and CHM 3450.....23 s.h.

## Pre-Engineering Program

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Pre-Engineering at Eastern Illinois University is a program designed to provide the first two years of a four-year Engineering degree. The first two years of most Engineering programs have the same curricula (basic science and math) so transferring from EIU to a 4 year Engineering program is generally a smooth transition.

EIU offers lower cost and a different atmosphere than the 4 year Engineering programs. The smaller class size, faculty teaching lecture and labs, research opportunities, and integrative learning environment set EIU apart from larger schools. The collegial atmosphere leads to a more inviting and collaborative learning environment. Students who might get lost in large lecture halls can quickly become a part of the community at EIU. With a high success rate after transfer to other institutions, our students find that this preparation is completely equivalent to spending all four years at a 4 year Engineering program.

EIU also offers a 3-2 degree in conjunction with either the University of Illinois at Urbana-Champaign (UIUC) or with Southern Illinois University at Carbondale (SIUC), in which a student takes a third year of liberal arts enrichment at EIU and graduates with a double bachelor's degree- one from EIU and one from either UIUC or SIUC. In this program there are actually two tracks, one where they receive an Engineering Physics degree from EIU and another where they receive a Physics Major from EIU, each of these is in addition to their Engineering Degree from the other institutions.

This two-year program is administered by the Pre-Engineering Studies Committee. Students planning to enroll in pre-engineering are advised to include the following in their high school programs: mathematics—four or more units, including Trigonometry; and Science—three or more units, including chemistry and physics. Students with deficient high school background should expect their graduation with an engineering degree to be delayed.

There are two pre-engineering options: general (appropriate for all except chemical engineering) and chemical. Students interested in the chemical engineering option should consult with the chairperson of the Pre- Engineering Studies Committee. The minimum general pre-engineering requirements are as follows:

Chemistry: CHM 1310G, 1315G, 1410G, 1415G.....	8 s.h.
English: ENG 1001G, 1002G.....	6 s.h.
Mathematics: MAT 1441G, 2442, 2443, 3501.....	19-20s.h.
Physics: PHY 1000 <sup>1</sup> , 1351G, 1352G, 1361, 1362, 1371, 1372, 2390, 2400, 3270.....	22 s.h.
Humanities and Social Studies approved by the Pre-Engineering Chairperson.....	6s.h.

<sup>1</sup> This course should be repeated each semester that a student attends Eastern. In the case of course conflicts with this course, a waiver should be obtained from the Chair of the Pre-Engineering Studies Committee.

## Pre-Law Program and Minor

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

To provide students with guidance in the selection of those courses which will enable them to complete a J.D. at an American Bar Association accredited law school, EIU offers a minor in Pre-Law Studies. This minor will provide students with the following: basic analytical skills, an introduction to the language of the law, and the written communication skills necessary for the study of law. This minor is administered by the Pre-Law Advisor and the Pre-Legal Studies Committee. EIU has a 3+3 BA to JD with Northern Illinois University for some majors. Interested students should contact the Pre-Law Advisor.

All students interested in a career in law should consult with the Pre-Law Advisor (217) 581-2523 (Coleman Hall 2135) for information regarding law school admission requirements.

Students at Eastern are provided with a variety of on-campus services by the Pre-Law Advisor and the Pre-Legal Studies Committee, including information about all the ABA-approved law schools, guest presentations by law school admissions officers and by person who practice law, several scholarships for students who are admitted to law school, field trips to area law schools, Pre-Law Internships, a Pre-Law Club, the Law School Admission Test (administered on campus), a mock Law School Admission Test, LSAT Preparatory Course and advice from the Pre-Law Advisor concerning law school admissions strategies.

### Required Courses (9 hrs)

ENG 3001	Advanced Composition
HIS 3600G	US Constitution and the Nation
*PHI 1900G	Logical and Critical Reasoning

### One 2000 or 3000-Level Case-Oriented Course (3 hrs)

PHI 2503	Legal Research and Argument
PHI 3070	Philosophy Law
*PLS 3523	Criminal Law
PLS 3543	Civil Liberties in America

### One 4000-Level Case-Oriented Course (3 hrs)

HIS 4910	Foundation American Constitution & Political System
JOU 4771	Communication Law
PLS 4774	American Constitutional Law
PLS 4853	The Supreme Court

### Choose Two Electives (3 hrs)

*BUS 2101	Financial Accounting
*BUS 2750	Legal and Social Environment of Business
*CMN 3100	Persuasion
*ECN 2802G	Principles of Microeconomics
ECN 4850	Economic Analysis of Law

## Pre-Medicine

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Admission into medical school is very competitive. Students should maintain a grade point average near or above 3.50/4.00, acquire leadership skills, exposure to healthcare, and score at least a 27 or higher on the Medical College Admission Test (MCAT). Preparation materials from the Association of American Medical Colleges (AAMC) can be found at <https://www.aamc.org/students/applying/mcat/preparing/>. Typically the MCAT is taken during the Spring Semester of the junior year, and an application through a centralized application service American Medical College Application Service (AMCAS) is submitted in June between the junior and senior years. Apply Early! At least three letters of recommendation are required, typically 2 from the sciences and 1 letter of the student's choosing.

Below are the requirements to be considered for medical school admission. As long as the requirements are met, **identifying an undergraduate major is based completely on the student's interests and goals**. Medical schools do not favor any particular major. Most importantly medical schools are seeking individuals who are well rounded in their educational background. Development of a strong vocabulary and communication skills are as important as any particular class.

Additional information from the national associations of allopathic and osteopathic medicine can be found at <http://www.aamc.org> or <http://www.aacom.org>.

**Students may major in any field, but MUST meet the following minimum course requirements:**

English: ENG 1001G, 1002G.....6s.h.  
Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....19s.h.  
Biological Sciences: BIO 1500, 1550G, 3120.....8s.h.  
Physics: PHY 1151G, 1152G, 1161, 1162).....8s.h.  
Social/Behavioral Sciences: PSY 1879G .....3s.h.  
Sociology: SOC 1838G.....3s.h.  
Math: (MAT 2110G or MAT 1441G) AND (MAT 2250G or BIO 4750).....6-9s.h.  
Recommended Electives: BIO 2210, 2220, 3200, 3300, 3624, .....24s.h.  
(Calculus is required by some medical schools and the Biology major)

### First Year

#### First Semester

## Pre-Nursing

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Eastern Illinois University has a cooperative agreement with Lakeview College of Nursing. After completing 2 years at Eastern Illinois University, the student would then transfer to Lakeview College of Nursing to complete the coursework necessary to satisfy a Baccalaureate in Nursing (BSN). When enrolled at Lakeview, the student will be pay Lakeview tuition, however they may live on the EIU campus and use all of the campus services. Lakeview College of Nursing now requires a minimum 2.50/4.00 prerequisite GPA to be considered for admission. Note that a 2.50 GPA is the **minimum** accepted. **However**, due to the competition, it typically takes a higher GPA to gain admission.

**Students must meet the following minimum course requirements:**

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Humanities/Fine Arts.....	9s.h.
Sociology: SOC 1838G.....	3s.h.
Social Behavioral Sciences .....	3s.h.

BIO 2220 Anatomy & Phys II

## Pre-Occupational Therapy

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Occupational therapists help people prepare to re-enter the workplace or merely regain control over their lives. They help patients develop behaviors and modify the workplace or living environment to accommodate disabilities and prevent further injury. As such, they are part psychologist, part sociologist, and part allied health specialist.

Occupational Therapy programs are phasing in master's level degrees rather than the traditional baccalaureate degree. Students enrolled at Eastern who decide to pursue a career in Occupational Therapy should complete a baccalaureate degree in an appropriate major, such as Exercise Science, Psychology or Biology, and apply to a graduate program. A 3.50 gpa and a solid performance on the Graduate Record Exam (GRE), taken the summer before senior year, are required. Most programs also require 45+ experience hours with a licensed occupational therapist and three letters of recommendation (1 academic, 1 professional, and 1 of your choice). Each OT program has different requirements, it is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

**Students may major in any field, but usually must meet the following minimum course requirements:**

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Biological Sciences: BIO 1500, 2210, 2220.....	12s.h.
Math: MAT 2250G.....	4s.h.
Psychology: PSY 1879G, 3515, 3525, 3780.....	12s.h.
Human Services: HSL 1800.....	3s.h.
<b>NOTE: Some schools that require Chemistry and Physics</b>	
Chemistry 1310G, 1315G, 1410G, 1415G .....	8s.h.
Physics 1151G, PHY1152G.....	4 s.h.

### ***First Year***

## Pre-Optometry

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

To prepare for a career in optometry, a student must complete 4 years of education to obtain a Doctor of Optometry (O.D.) degree at a professional college of optometry. Admission is very competitive and each optometry program has slightly different criteria. It is important to review the pre-requisites for each school and identify which program you wish to apply and plan accordingly. On average students should maintain a grade point average near 3.40/4.00 or higher, demonstrate leadership skills, expose yourself to the world of optometry, and perform well on the Optometry Admission Test (OAT).

**Students may major in any field, but usually must meet the following minimum course requirements:**

English: ENG 1001G, 1002G.....	6s.h.
Biological Sciences: BIO 1500, 3120, 3300.....	12s.h.
Chemistry 1310G, 1315G, 1410, 1415, 2440, 2445.....	12s.h.
Math: (MAT 2250G or BIO 4750) AND (MAT 2110G or 1441G).....	7s.h.
Psychology: PSY 1879G. ....	3s.h.
Physics: PHY 1151G, 1152G, 1161G, 1162G.....	8s.h.

## Pre-Pathologist Assistant

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Pathologists' assistants (PathAs) provide anatomic pathology services under the direction and supervision of a pathologist. These allied health professionals utilize a variety of manual and automated techniques to process, dissect, stain, etc. tissue samples from patients. Individuals assess the condition of patients for sample procurement, examination, diagnosis, and treatment. Job duties may include coordination of autopsy protocols perform postmortem examinations. They must pass a national certifying examination (American Society for Clinical Pathology, or ASCP) which is open only to graduates of accredited PathA programs.

The preferred PathA degree is at the Masters-level degree based on a curriculum involving both classroom instruction and clinical rotations, usually requiring 1 ½ to 2 years for degree completion. Therefore, most students entering a PathA program have already completed a baccalaureate degree, usually in the sciences. The average entrant has competitive scores on the GRE, and has a minimum grade point average of 3.00/4.00. Attributes such as demonstrated caring attitude toward others, communication skills, emotional stability under stress and problem solving ability are important selection factors.

**There are currently 8 NAACLS accredited PathA programs in America. It is very important when you begin your program to identify which programs you plan to apply and plot out their requirements accordingly.**

**Students may major in any field, but MUST meet the following minimum course requirements:**

English: ENG 1001G, 1002G.....6s.h.  
Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....19s.h.  
Biological Sciences: BIO 1500, 1550G, 3120.....8s.h.  
Physics: PHY 1151G, 1152G, 1161, 1162).....8s.h.  
Social/Behavioral Sciences: PSY 1879G .....3s.h.  
Sociology: SOC 1838G.....3s.h.  
Math: (MAT 2110G or MAT 1441G) AND (MAT 2250G or BIO 4750).....6-9s.h.  
Recommended Electives: BIO 2210, 2220, 3200, 3300, 3624, .....24s.h.  
(Calculus is required by some medical schools and the Biology major)

### **First Year**

## Pre-Pharmacy

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Pharmacy schools admit few, if any, students without a bachelor's degree. Most students desiring the pharmacy degree complete a Bachelor's degree before entering pharmacy school. Programs leading to the BA or the BS degree with a variety of majors are suitable although most students select a major in biological sciences or chemistry. When registering, such students should indicate their choice of degree and major, and declare Pre-Pharmacy as a second major.

Students apply through a central application service one full year before matriculating to a medical school, and should be prepared to take the Pharmacy College Admissions Test (PCAT) during the spring semester of the year in which they are applying; the following minimum requirements should be met by that time.

**Students may major in any field, but MUST meet the following minimum course requirements:**

Language: ENG 1001G, ENG 1002G, CMN 1310G.....	9 s.h.
Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450*.....	17s.h.
Biological Sciences: BIO 1500, 1550G 2210, 2220, 3120.....	8s.h.
Physics: PHY 1151G, 1152G, 1161, 1162.....	8s.h.
Math: MAT 1441G or 2110G, 2250G.....	7-9s.h.
Philosophy: PHI 1000G.....	3s.h.
Humanities & Fine Arts General Education.....	6s.h.
Social Behavioral Sciences (PSY 1879G* & SOC 1838G* recommended).....	9s.h.

\*Required by some Pharmacy schools

## Pre-Physician Assistant

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Physician assistants (PAs) practice medicine under the supervision of licensed physicians, and they are qualified to perform approximately 80% of duties commonly done by primary care physicians. PAs, however, practice in almost all health care settings and in many medical and surgical specialties. They must pass a national certifying examination which is open only to graduates of accredited PA programs.

The preferred PA degree is at the Masters-level degree based on a curriculum involving both classroom instruction and clinical rotations. Therefore, most students entering a PA program have already completed a baccalaureate degree, usually in the sciences. The average entrant has had approximately four years of health care experience (experience is required by many programs see below), competitive scores on the GRE, and has a grade point average of 3.40/4.00. Attributes such as demonstrated caring attitude toward others, communication skills, emotional stability under stress and problem solving ability are important selection factors.

Each PA program has different requirements. It is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

**Students may major in any field, but MUST meet the following minimum course requirements:**

Language: ENG 1001G, ENG 1002G, CMN 1310G.....9 s.h.  
Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840\*, 2845\* .....16s.h.  
Biological Sciences 1500, 3120, 2210, 2220, 3300 .....20s.h.  
Physics: PHY 1151G\*, 1152G\*.....8s.h.  
Math: MAT 1271, 1441G or 2110G, 2250G or BIO 4750..... 7-9s.h.  
Social Behavioral Sciences (PSY 1879G, SOC 1838G).....9s.h.  
Recommended Courses (PHI 2500G, CHM 3450) .....3s.h.

\*Required by some PA schools

## Pre-Physical Therapy

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Physical Therapists work with patients to regain mobility and strength after accidents or injury. Training to become a physical therapist requires a doctorate consisting of 2-3 years of training beyond the baccalaureate degree. A Bachelor of Science in Biological Sciences includes most of the physical therapy (PT) prerequisites; however, Exercise Science is a strong complimentary curriculum. Any academic baccalaureate degree will be acceptable that includes these prerequisites. The Graduate Record Exam (GRE) is required for entry into most PT programs. To be accepted into a PT program, a GPA of at least 3.4 on a 4.0 scale and high GRE scores are needed. Most programs also require 45+ job shadowing/experiential hours in the health care field (preferably PT). Each PA program has different requirements. It is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

**Students may major in any field, but usually must meet the following minimum course requirements:**

Language: ENG 1001G, ENG 1002G, CMN 1310G.....9 s.h.  
Chemistry: CHM 1310G, 1315G, 1410, 1415 .....8s.h.

## Pre-Podiatry

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Podiatrists: the medical experts for your complete foot care/surgical needs. To be a candidate for a podiatry program a student must complete at least 90 hours of education at the undergraduate level. The student then applies to a Doctor of Podiatric Medicine (DPM) degree at a professional college of podiatry. Admission is very competitive and each podiatry program has slightly different criteria. **It is important to review the prerequisites for each school and identify which program you wish to apply and plan accordingly.** On average students should maintain a grade point average near 3.40/4.00 or higher, demonstrate leadership skills, expose yourself to the world of podiatry, and perform well on the Medical Admission Test (MCAT).

**Students may major in any field, but MUST meet the following minimum course requirements:**

English: ENG 1001G, 1002G.....6s.h.  
 Chemistry: CHM 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....19s.h.

## Pre-Veterinary Medicine

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

Admission into veterinary school is very competitive. Although many of the veterinary medical college do not require a bachelor's degree for entrance, most students admitted will have completed a bachelor's degree. Students should maintain a grade point average near or above 3.50/4.00, acquire leadership skills, extensive/diverse experience in veterinary medicine, and obtain 63% on the Graduate Record Exam (GRE) to be competitive. Students apply through a centralized application service *Veterinary Medical College Application Service (VMCAS)* in June between the junior and senior years. Apply Early! At least three letters of recommendation are required, typically 1 from a college instructor and 1 from a veterinarian. The last letter can be from the student's choosing. Each of the 28 veterinary programs have different requirements, it is very important to identify early which programs you plan to apply and plot out their requirements accordingly.

**Students may major in any field, but usually must meet the following minimum course requirements:**

ENG 1001G, 1002G.....	6s.h.
Chemistry 1310G, 1315G, 1410, 1415, 2440, 2445, 2840, 2845, 3450.....	19s.h.
Biological Sciences 1500, 1550G, 3120, 3200, 3300, 3520,.....	24s.h.
Psychology 1879G .....	3s.h.

## **Special Education (B.S. in Education) Licensure Programs Leading to Multiple Endorsements**

### **Early Childhood Special Education and Early Childhood Education:**

Any student desiring to add an endorsement for Early Childhood Education may do so by supplementing the Special Education Early Childhood Option with the aid of an academic advisor in the Department of Special Education. In order to do so, the student will be required to complete course requirements in the area of Early Childhood Education.

### **Special Education and Elementary Education:**

Any student desiring to earn the Elementary Education [1-5(6) Illinois] endorsement in addition to the Standard Special (PK-21 Illinois) endorsement may do so by supplementing the Standard Special Option with the aid of an academic advisor in the Department of Special Education. Student will be required to complete Elementary Education course work and additional general education requirements.

### **Special Education and Secondary Education:**

Any student desiring to earn a High School (9-12 Illinois) endorsement in addition to the Standard Special (PK-21 Illinois) endorsement may do so by supplementing the Standard Special Option with the aid of an academic advisor in the Department of Special Education. A minimum of 32 semester hours in an Academic area is required. Academic Areas possible include Art, Math, Music Education, Spanish, Career and Technical Education (Business Education, Family and Consumer Sciences or Technology Education).

## Sport Management (B.S.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### First Year

#### First Semester

<sup>1</sup> Must have a "C" or better.

<sup>2</sup> Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is completed in high school with a "C" average or better.

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab. 7 Semester Hour Minimum.

D. KSR courses being used toward the major require grades of "C" or better.

E. Aquatics Proficiency: If you pass the aquatics proficiency exam, you must then take an additional KSR activity course.

## Television & Video Production (B.A.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### **First Year**

#### First Semester

ENG 1001G<sup>1</sup> Comp/Language  
CMN 1310G<sup>1</sup> Intro Speech Com  
IAI GEN ED Humanities/Fine Arts(\*)  
IAI GEN ED Social Science(\*)  
CMN 2520 Intro to Mass Comm.  
World Language <sup>2</sup> or Elective

#### Second Semester

ENG 1002G<sup>1</sup> Comp/Literature  
IAI GEN ED MAT(\*)  
IAI GEN ED Humanities/Fine Art(\*)  
AET 2123 Intro to Digital Photography  
IAI GEN ED Physical Science(\*)  
World Language <sup>2</sup> or Elective

### **Second Year**

#### First Semester

IAI GEN ED Social Science(\*)  
IAI GEN ED Bio Science/lab(\*)  
CMN Elective <sup>3</sup>  
CMN Elective <sup>3</sup>  
THA Acting I

#### Second Semester

CMN Elective <sup>3</sup>  
CMN Elective <sup>3</sup>  
IAI GEN ED Humanities/Fine Art(\*)  
IAI GEN ED Social Science(\*)  
Elective

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a grade of a “C” or better.

<sup>2</sup> Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a “C” average or better.

<sup>3</sup> Students in the Television & Video Production should be required to complete 39 credit hours of required course work in addition to two courses from the Areas of Specialization list and two courses from the approved elective list available in the online catalog or on the Department’s website: <http://www.eiu.edu/cmnojou>. See advisor for more information.

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate’s degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Students should consult with the community college/EIU course substitutions for equivalent major courses.

## Theatre (B.A.)

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### First Year

#### First Semester

ENG 1001G<sup>1</sup> Comp/Language  
THA 2211<sup>1</sup> Stagecraft  
THA 1134<sup>1</sup> Stage Movement  
THA 2140G/2190G Intro to Theatre  
IAI Gen Ed Social/Beh. Sci.\*

#### Second Semester

ENG 1002G<sup>1</sup> Comp/Literature  
THA 2210<sup>1</sup> Intro to Costuming  
THA 2244<sup>1</sup> Acting I  
IAI Gen Ed Math\*  
IAI Gen Ed Social/Beh. Sci.\*

### Second Year

#### First Semester

THA \_\_\_\_<sup>1, 2</sup> Performance/Tech Theatre Lab I  
THA 2258<sup>1</sup> Script Analysis  
CMN 1310G<sup>1</sup> Speech Comm  
IAI Gen Ed. Physical Science\*  
World Lang. or elective

#### Second Semester

THA \_\_\_\_<sup>1, 2</sup> Performance/Tech Theatre Lab I  
IAI Gen Ed Humanities\*  
IAI Gen Ed Humanities or Fine Arts\*  
IAI Gen Ed Social/Beh Sci\*  
IAI Gen Ed Biological Science\*  
World Lang or elective

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a "C" or better in English, Speech and all Theatre courses.

<sup>2</sup> Select from THA 2000, 2001, 2002, 2003, 2004, 2006, 2007, 2008

#### NOTES:

A. One course from either Humanities/Fine Arts or Social and Behavioral Science must be Culturally Diverse.

G. The Math requirement may need additional prerequisites.

C. One General Education Science course must have a lab. 7 Semester Hours Minimum.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is completed in high school with a "C" average or better.

## World Languages (B.A.) French, German, & Spanish

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

### **First Year**

#### First Semester

ENG 1001G<sup>1</sup> Comp/Language  
CMN 1310G<sup>1</sup> Speech Comm  
WLF, WLG, or WLS 1101<sup>4</sup> Elementary I  
IAI Gen Ed Biological Science\*  
IAI Gen Ed Fine Arts

#### Second Semester

ENG 1002G<sup>1</sup> Comp/Literature  
IAI Gen Ed Social/Beh. Science\*  
MAT 1160G/IAI Math Math: A Human Endeavor  
WLF, WLG, or WLS 1102<sup>4</sup> Elementary II  
IAI Gen Ed Humanities

### **Second Year**

#### First Semester

WLF, WLG, or WLS 2201G<sup>2, 4</sup> Intermediate I  
IAI Gen Ed Social/Beh. Science\*  
IAI Gen Ed Fine Arts/Humanities\*  
Elective<sup>3</sup>

#### Second Semester

WLF, WLG, or WLS 2202G<sup>2, 4</sup> Intermediate II  
IAI Gen Ed Social/Beh. Science\*  
IAI Gen Ed Physical Science\*  
Elective<sup>3</sup>

(\*) See the EIU General Education outlined on the online catalog at [eiu.edu](http://eiu.edu), visit [www.itransfer.org](http://www.itransfer.org), or refer to Course Substitution Lists for course possibilities.

<sup>1</sup> Must have a “C” or better in English Composition I and II, and Public Speaking.

<sup>2</sup> WLS/F/G 2201G and WLS/F/G 2202G count as Gen Ed Humanities courses at EIU.

<sup>3</sup> World Language majors take 9 hours of elective courses (over 4 years). Elective courses can be taken in other departments. Choose any combination of courses with a focus on diversity or international studies and/or courses in another world language.

<sup>4</sup> Students with prior high school study of the language are advised to begin at the following level:

- With 2 to 3 years of high school language study: Take WLF/G/S 2201G.
- In Spanish, Honors section WLS 2291G available.
- With 3 to 4 years of high school study: Take WLF/G/S 2202G.
- In Spanish, Honors section WLS 2292G available.
- 4+ years: May start at 3000-level after consultation with departmental advisor.

#### NOTES:

A. One course from either humanities/fine arts or social and behavioral science must be culturally diverse if transferring without a transferrable associate's degree.

B. The math requirement may need additional prerequisites.

C. One of the General Education Science courses must have a lab.

D. Completion of the second semester of a single World Language is a graduation requirement. Students are exempt if two full years of a single World Language is complete with a “C” average or better.

## World Languages (B.A.)

### French, German or Spanish Teacher Licensure

*This is just a **suggested** course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during Fall and Spring semesters.*

#### **First Year**

##### First Semester

ENG 1001G<sup>1&2</sup> Comp/Language  
WLF, WLS, or WLG 1101<sup>5</sup> Elementary I  
IAI Gen Ed Fine Arts\*  
IAI Gen Ed Biological Science\*  
IAI Gen Ed Soc/Beh Science\*

##### Second Semester

ENG 1002G<sup>1&2</sup> Comp/Literature  
CMN 1310G<sup>1&2</sup> Speech Comm  
WLF, WLS, or WLG 1102<sup>5</sup> Elementary II  
PLS 1153G American Government & Constitution  
IAI Gen Ed Humanities/Fine Arts\*

#### **Second Year**

##### First Semester
