**Intercollegiate Athletics Report**

Tom Michael, Athletics Director, provided a “Year in Review” for Intercollegiate Athletics. Intercollegiate Athletics’ (IA) mission and goal is to bring student-athletes to EIU for them to earn a degree, participate on a championship program and leave much better and more prepared to be successful as they enter the real world. EIU’s student-athletes have performed at a very high level academically. In the fall semester, the overall GPA for all sports was 3.13, and in the spring semester, the overall GPA for all sports was 3.15. EIU student-athletes led the Ohio Valley Conference with 30 Medal of Honor winners, recognizing student-athletes with a perfect GPA of 4.0.

The financial climate at EIU has had an impact on IA as they participate in reducing operating expenses to be fiscally responsible, and they will continue to look at cost cutting measures to become more efficient without diminishing the experience for student-athletes. IA will continue to work diligently to find additional ways to increase revenue through alumni, donors, and friends of EIU.

EIU student athletes give back to the community. During 2014-15 academic year, the student-athletes completed over 5,000 hours of community service to the Charleston/Mattoon and Coles County communities by engaging in a variety of events, such as speaking and reading to middle school kids and helping with Habitat for Humanity.
