

MINUTES OF TECHNOLOGY WORKGROUP

A meeting of the Technology Workgroup was held on October 10, 2016, at 2:00 p.m. in 1631 McAfee. Members present: Josh Awalt, Ryan Gibson, Billy Hung

Campus Feedback Tool

Survey on 3-5 questions will be sent on October 15th to Faculty, Staff, and Students and will be open for one week. Survey will be anonymous, but will be different for each group.

Data Needs

Workgroup talked about themes to investigate and the data needed to make informed decision. Some initial data needs are: Organizational Chart of all IT, List of all Services and Investment into those Services.
