

MINUTES OF TECHNOLOGY WORKGROUP

A meeting of the Technology Workgroup was held on November 28, 2016, at 2:00 p.m. in 1631 McAfee. Members present: Ryan Gibson, Billy Hung, Josh Awalt, Ben Merry

Reviewed Feedback

Workgroup discussed feedback provided from Mr. Henderson and Vice President McCann. The workgroup determined that several items will be modified based on the feedback provided.

Data Review

Each workgroup member discussed what they found for their data points. After discussion and review the data will be worked into a draft report to be reviewed on December 1st.
