

Have you ever thought about starting your own business?

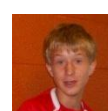

# CLASSE

As a member of this class you will...

- Work with students from other high schools
- Meet and work with area business leaders
- Work in an atmosphere of innovative thinking and problem solving
- Run a group business
- Encounter real-life learning experiences
- Work with a mentor as you develop your business
- Start and run your own business
- Feature your business in a Spring trade show

**This class offers a life-changing look into the opportunities and challenges of starting and running a new venture.**

## Class Details

- The class is offered to any Junior and/or Senior student.
- The class meets Monday through Friday, 7:30-9:00 am and is a year long high school course.
- The class meets in various local businesses so you must be able to provide for your own transportation.
- Must have a history of good attendance.
- In addition to a written request all applicants must submit two letters of recommendation.
- Will earn Lake Land College dual credit in the Spring semester with a cost of approximately \$41.
- Talk with your guidance counselor for an application.
