

Dear Parents:

The Business Solutions Center (BSC) at EIU is excited to get started with year two of the Effingham County E Club! We are anticipating a large group this year, and would like to give parents the opportunity to become part of this amazing group of kids. The E Club meets every Wednesday from 3:30-5:00 p.m. at the Effingham Jr. High School. The BSC would like to know if any parents are willing and able to volunteer their time, if needed. You would be responsible for helping us facilitate activities and projects and maintaining order among the club members. Please fill out the form and return it with you child by October 31<sup>st</sup>, 2012.

Thank you,  
Youth Entrepreneur Educator  
Business Solutions Center
